

Events Organised Introduction

Bharati Vidyapeeth University Medical College, Pune is an institute which always promotes organization of various knowledge events and participation of the faculty members in them.

The medical college so far has hosted a number of conferences, symposia, CMEs and workshops at regional, state, national and international level. The college also organizes seminars and CME's in rural areas for local doctors, health professionals and paramedical staff.

The college has its own research society. The research society organizes its annual conference regularly. Apart from faculty undergraduate and postgraduate students are encouraged to present their research work in the conference. Eminent persons from the field of medicine are invited as guest speakers.

The 6th Annual Conference of the Research Society of Bharati Vidyapeeth University Medical College was held on 8th and 9th Feb. 2008, at the Medical College Auditorium

Shri Vishvajet Kadam, Secretary Bharati Vidyapeeth, Dr.A.B. Pradhan, Head, Department of Medicine and Chairman Organizing Committee Dr.V.A. Saoji, Principal, Medical College Chief Guest for the programme was Padmabhushan Dr. K.H. Sancheti, Dr. V.N. Karandikar Director Research and Health Sciences and Dr. (Mrs.)Kavita Krishna, Secretary Organizing Committee.

Dr. H.V. Sardesai, eminent physician, spoke on “Stress Management”.

Participant -Annual Conference of the Research Society

- The college has been organizing some unique workshops since many years e.g. **SANKALP** for interns, **Temporal bone dissection workshop** for Practicing ENT surgeons. The Department of Obstetrics & Gynecology regularly organizes conference named **PRAYAS** exclusively for post graduate students on every alternate year.

- Some of the major events organized are the Annual Conference of the Association of Surgeons of India, **ASICON** where more than 5000 delegates from all over India and abroad participated. The first **South East Asia and the Seventh National conference in Paediatrics Neonatology and Critical Care** were held in the medical college. Every year the various departments hold some knowledge event.
