COMMUNITY MEDICINE

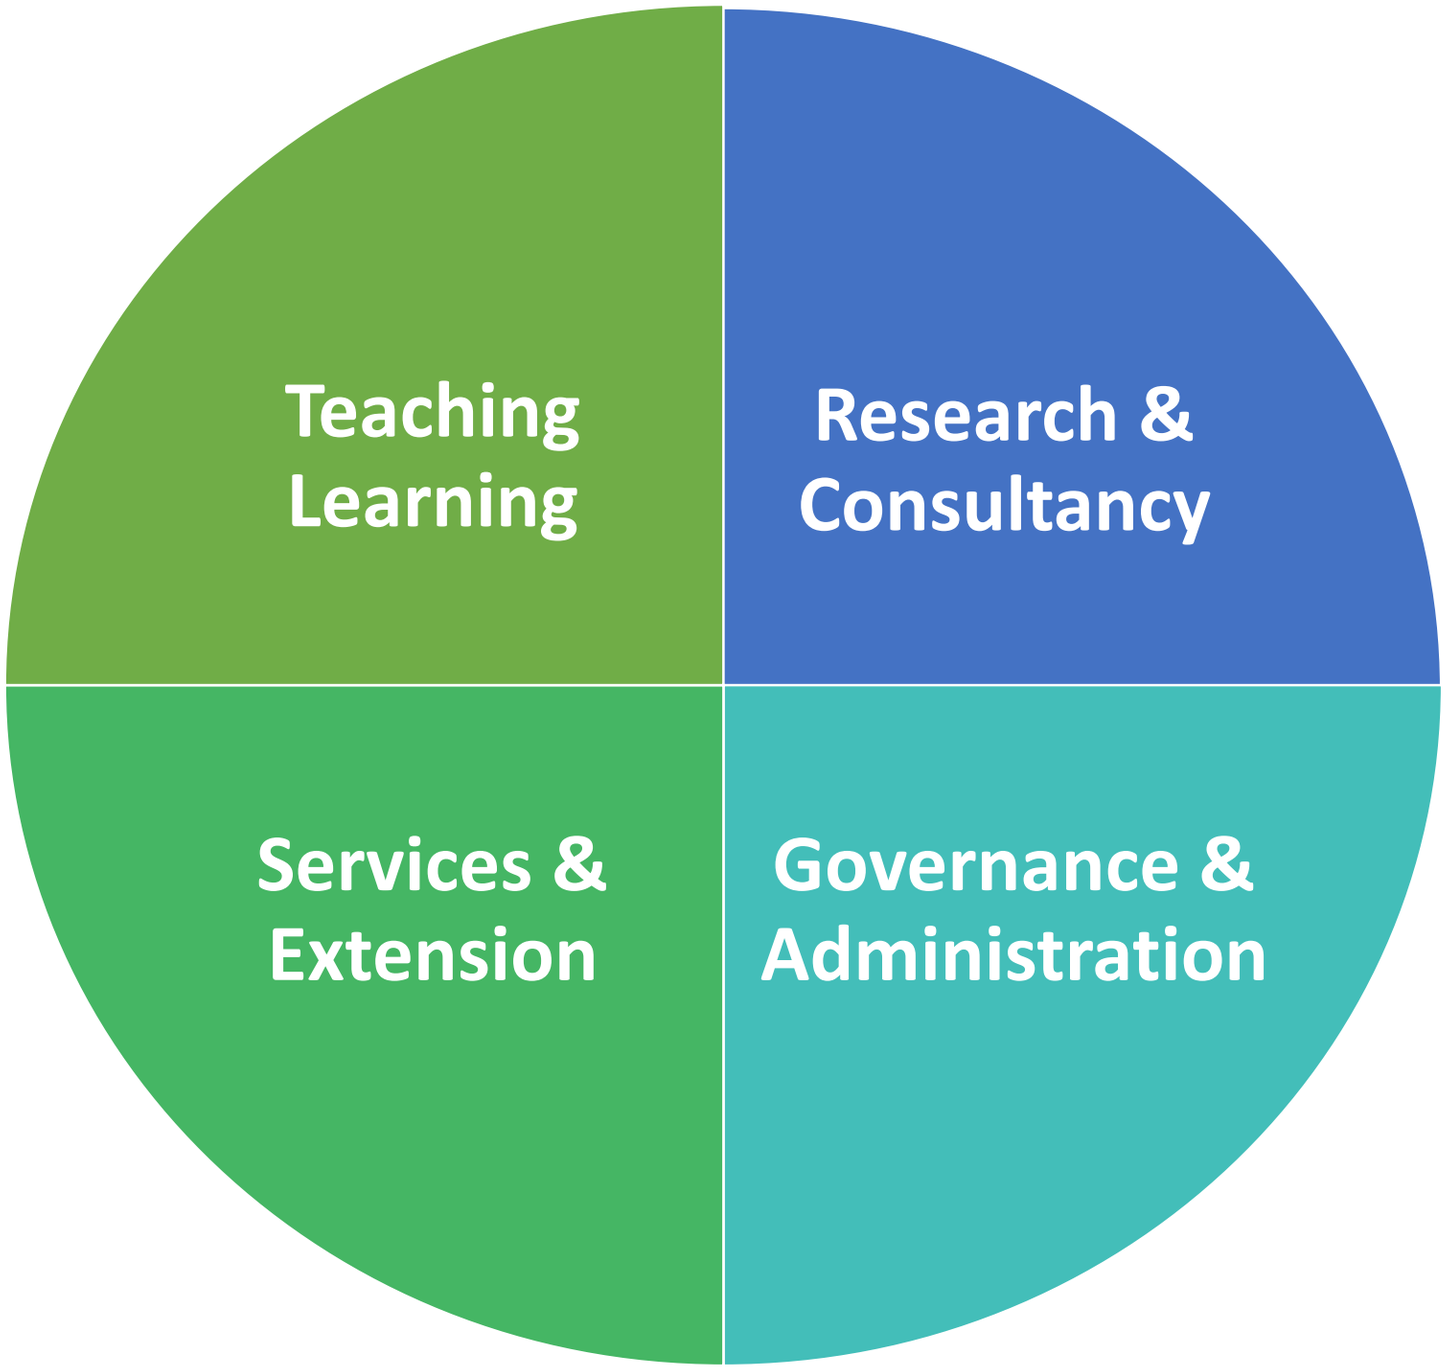
DEPARTMENT

Goal

- **Undergraduate**
- **To prepare students to function as proficient Community Physician in contemporary health needs and accountable to community**

- **Postgraduate**
- **Prepare a Planner, Manager, Solution -seeker, Teacher and Philosopher in health issues of individual, family, community, nation and cross-nations**

ACTIVITIES



Teaching
Learning
Research &
Consultancy
Services &
Extension
Governance &
Administration

TEACHING LEARNING ACTIVITIES

Undergraduate - From I MBBS till internship

Postgraduate - MD Community Medicine

Allied Health Disciplines –

PhD, Nursing , Hospital administration, Master in social work

Non Health Disciplines -Engineering

TEACHING LEARNING PROCESS

Defined Specific Learning Objectives (SLOs), Gnatt chart of UG & PG teaching, Bridge course for PG, Research Methodology for UG

Flexible Methodology: Seminar, Quiz, Scenario based learning, Small group revision series, Education film making competition

Learner Centered Approach:

Research Projects

Community Intervention activities :

Health Education - role play, puppet show, Health Camp, Public health day celebration

Educational visits:

Public health lab, water purification plant, Sewage treatment plant, Milk dairy, Leprosy hospital, PHC,anganwadi

RESEARCH

Promotion of Research

Inculcating the research culture, ideas in students by involving them in different research projects

‘Research Methodology Workshop’ PG and PhD students

Methodology and Statistical Guidance for research projects

Validation of research tools developed by students of various disciplines. e.g. MSc.Nursing

OUR TEAM

Teaching faculty with experience from

- International institution
- Public Health administration
- Armed Forces

Support Staff

- Medical social workers
- Sanitary inspector
- Teaching supportive staff/back office staff

FIELD PRACTICE AREA

Rural health Training Centre,
Lavale (**10 villages**)

Urban Health Training Centre,
Sadashiv Peth (**3 regional wards** of Pune Municipal Corporation)

EXTENSION ACTIVITIES THROUGH RHTC AND UHTC

- Medical care, referral services
- Health check up camps
- Training (UG & PG students & interns, ASHA, AWW)
- Health education & Counseling
- Celebration of public health days
- Research projects by interns
- Family Health survey by UG students
- Implementation of National Health Programmes

INFRASTRUCTURE

- **Well equipped library**
- **Museum**
- **Students laboratory**
- **Research laboratory**
- **Rural & Urban Health Training Center**

FUNDED RESEARCH PROJECTS

2015-17 : 2 - International

(Bill and Melinda Gates Foundation ,UNFPA)

Rs. 1,14,49,580 & Rs 18 lakhs

2012

2- State

(Maharashtra State TB Society)

Rs. 1,62,580 & 30,000

2012-17

8 - ICMR - STS

Rs. 80,000

1- ICMR - Rs.4 Cr.

2016-17

Indian Public Health Association

Rs. 20,000

2011-16
