## Director's Message

Greetings to All!

It gives me great pleasure to present this newsletter for Term-I of the Academic Year 2023-24.

The Term-I was full of activities well organised by the enthusiastic newly admitted students with the support of well-groomed and experienced senior students, under the guidance of encouraging faculty members.

Various activities were organised with a student centric approach with the objective of overall development of the students, through academic, extracurricular and co-curricular activities.

This newsletter would be a snapshot of the various activities conducted at IMED like Induction and Orientation Programmes, HR Forum activities, HR Seminar, IMED-GEMS, Workshops on PO, CO Mapping and Attainment, Faculty Development programs on Patents and IPRs, Social initiatives through NSS activities, Sports competitions to name a few. The achievements of our students and faculty members were outstanding in terms of exhibiting various skills sets through various activities and research writing.

I am very happy to share that our placement drive is going great with more than 100 Blue Chip companies giving placements to more than 150 students till now. Companies like Hindustan Unilever Ltd, TATA Motors, Bharat Forge Ltd., ICICI Bank, ICICI Prudential Life insurance Ltd., Markets & Markets, Orient Cement Ltd., Anand Rathi Wealth Management, Property Pistol, PolyCab India, SBI Life Insurance, AAIS Global, Godrej & Boyce Manufacturing, INFRA Market, Neeyamo Enterprises, Redington India Ltd, ACUITI Labs India, etc. have recruited IMED students.

As a team, IMED will always keep trying to reach greater heights with your support and best wishes.  
Stay Safe, Stay Healthy, Stay Happy!

## Induction Program

The Induction Programme for the Batch 2023-2024 was conducted at IMED from July 10th to July 29th, 2023, in accordance with AICTE norms and UGC quality mandates (Diksharambh). The objectives of the Induction Programme are as follows:

- Welcoming students to higher education and preparing them for their new roles.
- Assisting students in adjusting and feeling comfortable in their new academic environment.
- Instilling the ethos and culture of IMED among the students.
- Introducing students to a broader sense of purpose and encouraging self-exploration. The orientation programme encompasses the introduction of Bharati Vidyapeeth, campus facilities, faculty, syllabus overview, corporate resource center, alumni interactions, guest talks from corporates and entrepreneurs, as well as providing counseling sessions on anti-drug and anti-ragging measures.

### Day – 1

On July 10th, 2023, Mr. Yogesh Pawar, a renowned Motivational Speaker and the Founder of the School of Inspiration Leadership, served as the resource person for the day. He delivered an insightful session on various aspects including creativity, expectations, process, information, and wisdom. Encouraging students with the mantra of perseverance, he emphasized the importance of persistence and urged them not to give up easily. Mr. Pawar also introduced three key behaviors for success: relevance, commitment, and the ability to engage with others effectively. Furthermore, he highlighted the significance of acquiring relevant information and intelligence in pursuit of one's goals and aspirations.

Mr. Aniruddha Suryawanshi, a devoted government official for the Government of India since June 2019, served in the Indian Army for over 19 years, starting in July 2004. With his strong leadership skills honed through military service, he contributes significantly to national defense from Pune, Maharashtra, for the past four years and two months.

During his session, Mr. Suryawanshi highlighted India's current state in 2023, expressing his vision for the nation to become a global leader. He emphasized addressing pollution, especially severe in New Delhi due to vehicle emissions, advocating for widespread adoption of electric cars. Additionally, he addressed poverty, envisioning a self-sufficient India where everyone escapes poverty's grasp.

Mr. Yogesh Pawar, Founder, School of Inspiration Leadership being felicitated by Dr. Mahadik, Vice Principal, IMED, Dr. Sonali Dharmadhikari and Dr. Pravin Mane, Programme Director, MBA

Additionally, Mr. Suryawanshi discussed the 2047 trajectory, focusing on emerging technologies like AI, IoT, and Data Analytics. He also provided insights on navigating professional challenges and coping with threats in the professional sphere.

### Day 2:

On July 11th, 2023, Mr. Eun Kyung Ki, a distinguished professional hailing from South Korea, graced the session as the invited resource person. With a remarkable background and vast experience, he has made noteworthy contributions in quality inspection, manufacturing audit, and supplier development throughout his career.

He provided a brief overview of the emerging market collaboration between India and Korea, highlighting:

1. Wartsila group's supplier development status in India:
  - 1.1 Started developing new suppliers in India since 2007
  - 1.2 Cylinder liner: copper cooperation Pvt. Ltd. Kodoli Satara
  - 1.3 Lubrication pump: Laxmi Drucken Komponenten Pvt. Ltd. Solapur
  - 1.4 Propulsion parts: FIBRO India Precision Products Pvt. Ltd. Pune
2. The possibility of cooperation between Korean and Indian companies in the shipping equipment industry
3. Case studies of successful collaboration between Indian and Korean companies.
4. Collaboration prospects in the education sector between India and Korea.

### Day 3:

On July 12th, 2023, the Mindworks team organized leadership and management games. These activities aimed to enhance student collaboration, interpersonal skills, and leadership abilities. By promoting communication, problem-solving, and teamwork, the games created a positive learning environment and fostered strong peer relationships. Freshmen engaged in the events to build teamwork, improve interpersonal skills, and develop leadership potential, enhancing cooperation, communication, problem-solving, and decision-making abilities while forming supportive friendships within the community.

## Glimpses of Activities organized by Mindwrks

Resource Persons- Miss.Bina Kadam, Mr. Sangram Pawar, Mrs. Sanyogita Pawar (MINDWRKS)

Mindwrks, a renowned organization, spearheaded team-building activities and leadership games for IMED's Induction Programme in Pune. Leveraging their expertise in experiential learning, Mindwrks crafted engaging activities for freshers, guided by experienced facilitators proficient in team dynamics and leadership development. The collaboration between IMED and Mindwrks ensured a transformative experience for participants, facilitating their growth and development.

## Team building activity

### Day 4

On July 12th, industry professionals and alumni were invited as resource persons for the induction programme.

Ms. Shilpa Katke, Manager at Dell Technologies, inspired students by sharing her journey and emphasizing the four pillars of life: health, family, finance, and spirituality. She urged practicality in life and stressed the importance of networking in the corporate world. Providing insights from her professional journey, she encouraged students to seize opportunities and turn them into successes.

Ms. Reshu Aggarwal, Director at Brainworld, enlightened students on universal human values and shared her personal journey. She emphasized four essential values: personal, family, social, and professional. Advocating that life itself is the best teacher, she highlighted the importance of cultivating human values for a happy and peaceful life. Additionally, she emphasized continuous learning as key to personal growth.

Mr. Sagar Chondhe, an Alumni of IMED and Associate Engineer at Nagarro, emphasized the significance of IT and technology in both academic and corporate realms. He provided insights into essential software used in today's IT and corporate sectors, encouraging students to pursue courses for holistic personal development.

Dr. Pawan Agarwal, Motivational speaker on Mumbai Dabbawala being felicitated by Dr. Mahadik, Vice Principal, IMED, Dr. Sonali Dharmadhikari and Dr. Pravin Mane, Programme Director, MBA and Dr. Hembade, Programme Director, MCA

### Day 5

On 13th July 2023, Dr. Pawan Agarwal, a motivational speaker renowned for his insights on Mumbai Dabbawalas, shared his journey from teaching to the world of Dabbawalas, emphasizing the importance of time management. He highlighted the values of passion, commitment, consistency, and accuracy in achieving goals and urged students to prioritize excellence. Dr. Agarwal stressed the significance of respecting and valuing the support of family, teachers, and friends, while motivating students to persevere and never give up.

Dr. Sonali Dharmadhikari, MBA Programme Director, delivered a presentation to students about the vision, mission, and objectives of the MBA program. She provided an overview of the curriculum, including core courses, electives, and program structure. Dr. Dharmadhikari also discussed subjects, syllabus, exam patterns, MOOCs, marking criteria, and course formats to help students excel academically.

Dr. Hema Mirji introduced students to IMED's IMAC culture, providing a brief overview followed by a presentation. She showcased various activities conducted during IMAC sessions and encouraged active participation from students.

Ms. Ranjana Jadhav, Library Incharge, briefed students on library facilities and regulations for borrowing and returning books. Dr. Vijay Phalke, NSS Coordinator, introduced students to NSS activities, emphasizing initiatives such as Road Safety Campaigns, Blood Donation Camps, and Breast Cancer Awareness Programs, encouraging active participation.

## DAY 6

Dr. Sachin S Vernekar, Dean of FMS BVDU and Director of IMED, delivered an inspiring address, urging students and faculty to strive for excellence and dedicate themselves wholeheartedly to their work for success. His words ignited enthusiasm and energy among the audience, setting a positive tone for students embarking on their MBA journey at IMED.

Following Dr. Vernekar's speech, Mr. Binit Singh, Senior Manager of Talent Management at Reliance Retail, provided insights on essential topics in human resources, including performance management, workplace diversity, and inclusion. He emphasized the importance of understanding these aspects for a successful career in HR.

Additionally, Mr. Preetam Tiwari, Co-founder & Director of Incub Xperts, shared valuable advice on entrepreneurship, highlighting the risks involved and the necessity of prudent budgeting and technological awareness. He drew from his own experiences to impart lessons and encouraged students to present feasible business plans to investors while considering technological advancements.

Mr. Binit Singh, Senior Manager of Talent Management at Reliance Retail, shared his personal journey in the Human Resources field, emphasizing the importance of ethics in organizational success. He discussed key aspects essential for a career in HR, including communication gap, grapevine errors, diversity and inclusion, lying, bullying, theft, persons with disabilities, background verification, tokenism, LGBT regulations, and performance management systems. Drawing from his experiences, he acquainted students with current HR trends to enhance their understanding of the field.

## Day 7

On July 24th, 2023, guest speakers Mr. Vishal Methi, Dr. Sanjay Gandhi, and Dr. Anirban Sarkar shared valuable insights during Entrepreneurs Day. Mr. Methi, founder of J4E (Just For Entrepreneurs), aimed to create a supportive platform for entrepreneurs. He emphasized the importance of building teams, people management, and consistency in achieving

success. Dr. Gandhi, CMD of Aspire Knowledge And Skills India Pvt Ltd, provided entrepreneurship tips and highlighted qualities of successful entrepreneurs. Dr. Sarkar, a first-generation entrepreneur, shared his experiences and discussed effective planning strategies for entrepreneurship. The session concluded with an interactive question-answer session, leaving attendees with valuable knowledge.

### Day 8

IAS Dr. Sanjay Kolte, the Chief Executive Officer of Pune Smart City Development Corporation Ltd., addressed students on July 25th, 2023. Dr. Kolte's speech emphasized the importance of skilled managers in administration, focusing on key aspects of the Smart City Project initiated by the Government of India in 2015. He highlighted the shift towards technology-driven solutions, emphasizing Information Communication Technology (ICT). The project aims for sustainability, livability, and resilience to climate change. Dr. Kolte outlined development approaches including re-development, greenfield development, and retrofitting. Notably, the corporation launched the first batch of Smart Buses or E-Buses in collaboration with PMPL, showcasing their commitment to innovative initiatives.

Dr. Sanjay Kolte emphasized the Smart City Corporation's focus on promoting Non-Motor Transports and public transport. He highlighted efforts to upgrade Solid Waste Management Systems in Pune, utilizing GPS technology to minimize waste sent to landfills. Dr. Kolte commended the university for organizing the Induction Program, stating it sensitizes students for their new academic journey. Additionally, he discussed his contributions to the Mahatma Gandhi Rural Employment Development Program (MGREDP).

IAS Dr. Sanjay Kolte, the Chief Executive Officer of Pune Smart City Development Corporation Ltd. being felicitated by Dr. Sachin S. Vernekar, Dean (FMS), Director IMED, Dr. Ramchandra Mahadik, Vice Principal, IMED

## Barclays Life Skills Training Program

On July 17th, 2023, the Barclays Life Skills Training Program commenced with unexpected excitement. Mr. Prashant Sonawane, the trainer, introduced us to Barclays and Rubicon, making the session engaging with historical insights and company facts. Activities began with icebreakers like sharing our names' meanings and one-word descriptions of our personalities. Mr. Sonawane emphasized curiosity's role in progress and discussed open and close-ended questions. He delineated the transition from campus to corporate life and facilitated group activities where we analyzed departmental aims, challenges, and solutions. These exercises boosted confidence and fostered interactive discussions among participants, setting a dynamic tone for the program.

On 18th July, 2023, Students were introduced to the concept of goal setting, likened to a directional tool providing a roadmap towards their aspirations. The SMART framework (Specific, Measurable, Attainable, Relevant, Timely) was then introduced to enhance understanding. Through an engaging activity, participants randomly selected goals and applied the SMART criteria. For instance, if a student received a goal of "becoming rich," they would explain how it aligns with SMART principles. This interactive approach fostered curiosity and facilitated active learning, concluding the second day of the program on a positive note.

**19th July, 2023**

On the third day, students were introduced to the concept of SWOT analysis, a tool for self-assessment, focusing on strengths, weaknesses, opportunities, and threats. Students learned its history, development, and application in identifying internal and external factors. Activities were employed to deepen our understanding, such as group discussions on topics like improving communication skills using SWOT analysis. Additionally, presentation skills were highlighted, covering aspects like voice modulation, body language, and language usage. The day concluded with enriched knowledge and practical insights into effective communication and presentation techniques.

**20th July, 2023**

On the fourth day, students delved into public speaking skills and email etiquettes. They learned the nuances of writing professional emails, including the importance of elements like the subject line, salutation, and closing. Tips such as using appropriate subjects and avoiding all-capital letters were shared to enhance students' email writing proficiency. Additionally, they explored corporate jargons through a group activity, aiming to identify as many terms as possible. This session proved invaluable in refining students' communication skills and understanding corporate language.

**21st July, 2023**

On the fifth day, students focused on essential skills for entering the corporate world. They began by learning telephone interview etiquette, including how to confirm interview details and understand the purpose of telephone interviews. Students discovered the various types of resumes and their significance in the job application process. Additionally, they explored Applicant Tracking Systems (ATS) and the emergence of video resumes. This session equipped students with valuable insights into resume building and modern job application practices.

**22nd July, 2023**

On the sixth day, students focused on interview skills with the trainer. They learned about pre- and post-interview preparations and discussed common interview questions such as strengths, weaknesses, and accomplishments. The session concluded with a fun activity where students presented a skit on corporate life, highlighting dos and don'ts. This marked the end of the training program, offering students valuable insights into interview techniques and corporate dynamics.

**BBA BCA Induction:**

On Monday, July 24th, 2023, the Induction Program for the BBA/BCA-1 2023–2026 batch commenced with a warm welcome extended to the students by Dr. Ramchandra Mahadik, Vice Principal of IMED and Program Director for BBA-BCA, along with all the faculty coordinators of the first year.

Following the warm welcome, Dr. Veenu Shivdesani, a motivational speaker, delivered a session titled "Yes, I Can: Changing Lives." Dr. Shyam Shukla then briefed students on college activities. Dr. Shivdesani emphasized intentions, comfort zones, resolving internal conflicts, and highlighted the importance of soft skills alongside domain skills for students' holistic development. She referenced Swami Vivekanand's quote "I can do it, I shall do it, I will do it," and stressed deep listening, self-conceptualization, understanding negative thoughts, and overcoming them.

Dr. Sachin S. Vernekar, the Honourable Director, broadened students' perspectives with insights from various philosophical and real-life experiences. He discussed the stages of personality development, emphasizing self-education in the first 25 years, pursuit of achievements in the next 25, and societal contribution thereafter. Dr. Vernekar highlighted the familial atmosphere at Bharati Vidyapeeth University and shared the history of IMED. He introduced CWTED (Community Work Through Entrepreneurship Development) and emphasized "KAIZAN" for continuous business improvement. Additionally, he stressed the importance of honesty, integrity, and emotional dedication represented by the acronym IMED.

Dr. Eun Kyung Ki being Felicitated by Dr. Ramchandra Mahadik

On Wednesday, July 26th, 2023, Dr. Netaji Jadhav briefed students about the institute's sports facilities and opportunities, highlighting the importance of athletics and physical education for holistic development. Encouraging active participation in various sporting events and competitions, the presentation aimed to cultivate a positive and competitive atmosphere on campus.

Dr. Netaji Jadhav Director of Sports and Physical Education Bharati Vidyapeeth

Ms. Pooja Bhale and Ms. Reshu Aggarwal were felicitated by Dr. Sucheta Kanchi

Ms. Pooja R. Bhale, an accomplished conservation biologist with an MSc in Conservation from UEL, London, brings extensive experience from organizations like WPSI, Sanctuary-Asia, Elephant Reserve, and the Indian Herpetological Society. Currently serving as the director of the Protectera Ecological Foundation (PEF), her focus is on outreach, education, and ecological awareness. The audience admired her diverse interests, including spiritual meditation and sports like basketball, rugby, and sprinting. She also served as a visiting faculty member.

Ms. Reshu Aggarwaal, a prominent figure in education leadership, currently leads Brain World Edutech. She's recognized as a motivational speaker and behavioral expert, assisting students in industrial interviews and engaging in educational events nationwide. Additionally, Ms. Aggarwaal holds the position of General Secretary of the BJP Education Cell in Pune and serves as Managing Partner of the Pink Revolution community, which supports village entrepreneurs and honors educators annually. Recently, she forged a partnership with Osmosis Singapore, expanding her remarkable achievements.

## Tree Plantation Drive with Green Walk

## "India's Lunar Triumph: Celebrating Chandrayaan-3 with IMED's Live Viewing Assembly"

India's pursuit of space exploration reached a remarkable milestone with the successful landing of the Chandrayaan-3 Mission on the Moon. This marked a significant step forward for Indian science, engineering, technology, and industry.

In celebration of this achievement, IMED organized a special assembly on August 23, 2023, for witnessing the live streaming of the Chandrayaan-3 landing. This event was arranged to encourage students and faculty to actively participate and watch the live streaming of the landing on the Moon, allowing them to witness this momentous occasion together.

The landing of India's Chandrayaan-3 was a monumental occasion that not only fuelled curiosity but also sparked a passion for exploration within the minds of the youth. It generated a profound sense of pride and unity as the nation collectively celebrated the prowess of Indian science and technology. This achievement contributed to fostering an environment of scientific inquiry and innovation.

## Road Safety Awareness Campaign:
