

Dr bushra yousuf	PG	Gmc srinagar senior resident	Best campus best college in India with great teachers..
Dr. Anand Gavasane	2016	Baramati	<p>After M.B.B.S., I did my post-graduation in Pulmonary Medicine from Bharati Vidyapeeth University. Looking back, I can certainly say that Bharati Hospital was the most important milestone in shaping my career. I had a chance to learn from one of the best faculty and I got hands-on experience of vast amounts of practical training (especially ICU procedures, emergency patient management and Bronchoscopy). This made me confident enough to deal with any type of situation I may face in my medical career. Throughout the academic sessions, I was challenged to give my best and to discover capabilities that I never knew I had.</p> <p>Currently, I am working at Baramati as Consultant Chest Physician and I can proudly say that I owe my success to this university.</p>
Dr Umar Rashid Khan	2015	REGISTRAR SKIMS MEDICAL COLLEGE SRINAGAR	It was a turning point in my career after I joined the institute as a post graduate in Microbiology. The faculty is par excellence in teaching and training students. BVDUMC and Hospital is one of the best medical colleges and tertiary care hospitals in the country with dedicated staff and management. I feel honoured to be an alumni of this prestigious institute.
Dr Sachin Agrawal	2006	Ophthalmologist	BVDUMC is my alma mater. Thanks to the institute and faculty for making me a good Ophthalmologist.
Dr Saira Bano	2014	Assistant Professor, BVDUMC,Pune, Dept of physiology	As an alumni of BVDUMC pune, I have met a plethora of teachers who have poured their knowledge into their students with full of their heart, soul and mind. They encouraged student to explore new horizons in field of physiology. Bharati Vidyapeeth medical college is the best educational institute and will always cherish my post graduation memories.
Dr. Nimty Raina	2014	BVDUMCP	<p>Its an excellent place to grow and learn.</p> <p>It was an overwhelming experience to be a part of this institute, where education is more example based, clinical based.</p> <p>Helped me grow as an individual a lot.</p>
Dr. SHAFIQUE WARSI	2015	Specialist Medical Officer Khunti, Jharkhand	It was a learning experience during 3 years of post graduation.Excellent and supportive faculty. Owe my knowledge and skills to the entire team - specially our HOD ( ENT )

Dr Mugdha Rustagi	2017	Consultant Obgy, Pandharpur	I did my post graduation in Obstetrics and Gynecology at BVDUMC, Pune.. And it formed one of the most important and shaping years of my life. It not only made me a good doctor and an amazing Obgy,it also transformed me into a good human. The work environment, the discipline, the following of proper protocols, everything has been upto the mark. Its a college where you can build your skill and gain knowledge at the same time along with making friends and bond with seniors and teachers. It was an experience that will stay with me forever.
Dr.Manju Talathi Bhapkar	MBBS Batch 1992, Faculty 2002	BVDUMCP	Almost 30 years of attachment with the institute. BVMC is an integral part of my life.Many memories throughout this beautiful journey really spread smile on my face.
Dr Jency Johnson	2016	MS ENT	I was a PG candidate in the BVDUMC in the department of ENT.. It is an amazing department with all excellent teachers. I am happy and proved to be a part of this institution. It had made me want I'm today.
Dr Vikrant Sagar	2010	Senior Consultant,	Wonderful experience , good academics, very helping faculty and nice hospital. Good place to learn
Varun Khandelwal	Alumnus (PG MS OBGYN 2018)	MS OBGYN , Consultant ,Shree Bhagwan Hospital, Agra	The college and the education has been tremendous and exemplary. I learnt so much during residency and not only the subject but also how to be a great doctor . The kudos goes to the faculty for training us residents so well The hospital policies always allowed us to learn and nurture our skill. Thank you so much for everything you do and have done in providing a safe, nurturing, inspiring and supportive learning environment
Dr ismail Kelothum Kandiyil	2014	Assistant professor	Really amazing college with superb campus
Priyanka Pathak (Saxena)	2014	Medical Manager - Medical Safety Operations, Labcorp Scientific Services and Solutions	I have spent my postgraduate years in BVDUMC. The Pharmacology department teachers and specially my guide Dr V A Pandit have mentored me throughout. Not only did I learn the subject but also other skills which have been instrumental to help me reach where I am today. Since I opted for a lesser known route in pharmacovigilance, the learning and skills have helped me tremendously. Post my passing out also, we have been in touch and they are an extended family to me.
Dr. Jayshree Shriram Dawane	MD Pharmacology 2008	Associate professor, BVDTU MC, Pune	It's a wonderful experience to be an alumini and a faculty of this esteemed institute. High class infrastructure and facilities are available to carryout the research work along with the dedicated guides.Devoted teaching staff is always ready for the students. Students never hesitated to approach to the teachers for their problems. I feel so fortunate for getting an opportunity to work here.

Dr haris manzoor qadri	UG 2003 and PG 2010	Lecturer government medical college srinagar	It gives me immense pleasure to write about my college. I feel proud that I have passed from such an institute. BVP is at par with any good institution of India. Backbone of college is dedicated staff, strong academic curriculum and world class infrastructure. Best thing about my college are dedicated teachers who always make extraordinary efforts to teach students. God bless my college...
Juthikaa Abhijit Deherkar	2008 PG	Associate Professor in Surgery	All I would say is its like my second home and the Department is an extended Family.
Danish Andrabi	2012	Consultant ENT and Skull Base Surgery	Strong Academics is the hallmark of this institution. Our teachers were the best trainers we could ever ask for. Hospital provided exceptional patient care and a great learning environment. We were very well trained in our subject, thanks to our wonderful teachers in Dept of ENT.
Dr Sachin Gupta	2014 to 2017	Associate professor, CMCH, Bhopal	Great teachers and Academics are excellent
Ninad Kade	2016	BVDUMCP	Emphasis on academics with good hands on experience during pg and also well laid down SOPs in the hospital
Dr.Pallawi Shashank Khatavkar	2014	Assistant Professor, Pharmacology	During the time of postgraduation, I learnt a lot from the faculty members of the department. My guide Dr.V.A.Pandit influenced me and helped out during this period . As a faculty I had the experience of 4 years full of enthusiasm .
Dr. Kushal Dilip Sarda	2010	Head Medical Affairs Abbott India Ltd Mumbai	BVDU medical college is very wonderful Institute. Department of pharmacology has given me opportunity to learn and expand my horizon. I had great learning from 2010 to 2013
DR Arvind Gautam	2008	ENT Surgeon	One of the leading private colleges in India helping the aspiring doctors to achieve success in life.
Sushrut Avinash Deshmukh	2004	MS ENT, Deshmukh Hospital, Pune	Progressive Hospital is all what I can say
Dr.Sonali Suryawanshi	Alumnus - 2011	Associate professor, pharmacology	As alumnus and faculty - study and working atmosphere healthy and supporting
Shreyas Deshmukh	2011	Medical Advisor	Excellent institute with state of the art infrastructure and dedicated faculty providing a solid foundation for students.

Anirudh Kumar Allam	2018	Cardiologist, Kurnool , Andhra Pradesh.	I'm happy to get trained in university in cardiology department under all the faculty members, each faculty member has trained us in there ways and was happy to get exposed to everyone. My teachers gave me utmost confidence to work individually in Cathlab and to face complex situations. I'm happy with all the academics sessions went on in department and thank all my teachers for training me
Omair Wani	2017	Consultant IDSP	Faculty at Community medicine was very professional and helpful. BVPMC has transformed my life into a self sustained doctor
Dr.Santoshkumar Devidas Shinde	1993	Children's Clinic	A very nice place for education in medical field. Nice Teaching staff and non-teaching staff. Hospital with all modern facilities. Academics wise a very nice institute. <del>I am proud that I have been a part of it as a graduate as well as postgraduate period</del>
Dr Trishna Mohanty	2018	WHO Consultant - NTEP TSN	I had actively participated in projects outside of department which my faculty gave me a chance to which lead me to make professional contacts which are helping me in my career.
Devdatta M Dabholkar	1992	Director, Tathastu Women's Hospital.	At our time it was under Pune University. Minimum what I can say is whatever I am today is because of Bharti Vidyapeeth Medical College.
Mrudula Bhate Bapat	UG 1996 batch	Consultant Radiology. Thane city	Bharati Vidyapeeth Medical college is the place which gave us the finest of medical education delivered by the best of teachers. Very proud of each and every teacher who helped us achieve hat we are today !
Dr Lasya Sai Sindhu	2017-2020 . (PG)	Consultant Neurotologist at CITI NEURO hospital Hyderabad	I developed interest in Neurotology owing to my thesis and there was enough caseload for the study I undertook. Thankful to my Guide Dr.Prasun Mishra who introduced me to Neurotology. As a PG ,life was very difficult owing to case load, excessive paperwork, peer pressure . The place made me stronger as I faced such harsh people and conditions for the first time in my life. Constant comparison and personal attacks were a part of the training which broke me as a person. However I'm thankful to the faculty who believed I could make it. This place gave me wings to fly and also taught me life lessons and made me a stronger person . Thank you
Dr Kiran Sachane	Alumnus 1993	Consultant Anaesthesia and pain medicine @Edinburgh NHS Hospitals in United Kingdom	BVMC shaped me in my early years, particularly when I came from small town in Marathwada region. I reached to UK and practising successfully. BVMC training has palyed immense role in my development as Doctor and person. I wish to contribute and share my knowledge and expertise with medical students , trainee doctors whenever I get opportunity in future. Good luck and Best Wishes to all at BVMC Family.

Arjun G Menon	2007 PG ENT	At present working as Associate Professor, Dept of ENT&HNS, Amala Medical College Thrissur	It was a great time studying in BVUMC ENT department. Good academics, dissection workshops. Good relationship with faculty. No unnecessary politics. Surgical hands on work was lacking a bit in my tenure 2007-2010 in the department of ENT. But otherwise exposure was adequate. Our HOD, took upper hand in intercollegiate clinics with BJMC, AFMC, which was quite interactive and knowledge imparting. In totality it was a happy experience.
Dr poonam goyal	2011	MBBS MS ENT, goyal ent clinic Itarsi (mp)	Spend good and memorable time in BVDUMC. Learnt lot during pg time.. faculty like Kaushik ma'am , oak sir, prasun sir taught us so many things.. pg from good college helps a lot ,that's personal experience...
Dr vivek jadhav	1993	ENT surgeon	Excellent educational system
Dr Manish Motwani	1997	Bariatric Surgeon - Aastha Bariatrics	Truly indebted to the staff and faculty in the Surgery dept of BVDUMC. Today I practice Bariatric Surgery and run a Centre of Excellence in Metabolic and Bariatric Surgery. Whatever I am doing today is purely because of the strong foundation in my PG at this lovely Medical College. Right from Dr Bharucha, Dr Edibam, Dr Saoji, Dr Kharat, Dr Deshmukh, Dr Chandorkar, Dr Ketkar and all in the dept. we love u all a lot and the respect that we have in our hearts for
Ashutosh Thole	1993	Director Janki Maternity Home Nashik	Ours was the first batch of admissions in new system of merit and paid category students. The college or faculty never made us feel any difference. At the time of admission I was regretting the fact of losing out on admission to BJMC. By the time I left BVMC I felt it my fortune to be in this prestigious institution.
Supriya Dawri	2010	Self employed	The most important thing that I liked about BVDUMC was it's keen interest in updating themselves. There was always something new to learn and grow. They were keen on adding on new ideas wherever possible.
Dr Amit Sharad Kole	2013	Department of ENT	I completed my M. S. ENT From BVDUMCP. It was totally great experience. Teaching is absolutely great. Special thanks to Dr Maitri Kaushik (Professor & HOD Dept of ENT). She made my basics clear in the subject. The things she taught are useful for me when I operate. I can say whatever I am right now in ENT - All credit goes to Dr Maitri Kaushik mam. Also campus environment is healthy n playful. Patients flow is also good and all variety of cases we get to see... Thank you so much BVDUMCP
Dr Karthik Badarayan	2017	Pediatric Rheumatologist in M S Ramaiah medical college	I joined as a stranger and left with a whole family. Bharati did not only give me MD degree, it gave me loads of memories and lessons for life. Pediatric department and its super specialities are the best. The teaching, protocols and exposure we get here is way beyond any other prestigious college. Best part is the detailed case presentation and discussion in the rounds we have with professors. I'm very grateful for all the help and blessings of my beloved staff. "You don't realise the value, until your away or miss it"

Mihir Suresh Birnale	2012	Director.. Birnale hospital LLP..	A place where communication is as important as skills

Mrugesha panchal	2016	Consultant ahmedabad	Well equipped and patients flow are good, best academic for students.
Dr. Sana Rafiq Khuroo	MD community medicine 2018	Registrar in Department of Community Medicine, Government Medical College, Srinagar.	Choosing Bharati Vidyapeeth Medical College Pune as a base through which to study community medicine was one of the best decisions I made regarding my higher education. I chose the college because of the outstanding academic reputation and the range of their research interests. The MD community medicine at Bharati Vidyapeeth Medical College Pune truly helped prepare me to explore my interests with dedicated, passionate faculty members which allowed me to become a well-rounded public health professional. While doing my MD I found that the professors were knowledgeable, approachable, and very involved in the community. Huge respect, love and devotion for entire faculty members and management for efforts that make me to count myself into better professionals. I left the course with a solid foundation in epidemiology, policy making, MCH care, outbreak investigations and reportable disease surveillance. Public Health, by its very nature, is in continuous change. Fortunately, the education and experience I obtained through the Bharati Vidyapeeth Medical College Pune prepared me for the real-world challenges that a public health professional must often face. It was a great experience studying at Bharati Vidyapeeth Medical College Pune, a memory to cherish for lifetime.
Rhea pradhan	1995	Wockhardt hospital	Excellent faculty for ug and infrastructure. Guidance for clinical and paraclinical areas was very good.
Utsav Anand Mani	2017	Kgmu, lucknow.	Very nice University, professional and competent. Department of emergency medicine is a great place to learn emergency medicine. Thoroughly enjoyed my tenure there as a pg student.

Dr.Arshdeep Singh Chadh	2012	Associate Consultant Critical Care Medicine , Max Superspeciality Hospital, Saket,	Best private medical college and hospital.... The department of Anaesthesia is perfect and we had some greay mentors who helped us shape our careers... Special thanks to Aphale mam and the department for always being genuine and being there for her students

Dr. Sourav Das	2010	Deputy General Manager Nalco hospital Nalco	One of the best teaching hospitals. Fantastic faculty. Learned every art of anaesthesia including USG blocks, critical care, paediatric anaesthesia, neuro anaesthesia etc. The things which I learned still helps to work as anesthesiologist. Learned that there is no absolute contraindication for anaesthesia one should know what to give with calculated risks. Safe anesthesiologist was the motto I Learned.

Kanal Gupta	2001 batch admission	Director, United Drilling Tools Ltd	Thinking of BVDUMC brings back lots of nostalgic memories. I personally feel I was lucky to have the guidance of our esteemed Faculty who had tried to help us out especially Dr Garud sir, Dr Sapre sir, Dr Karmarkar sir, Dr Kharat sir, Dr Dave Sir, Dr Lalwani sir etc to name a few. I can go one and on. Each and everyone had taught us and guided us. Even the Nurse and Lab technicians were also very helpful. Being the editor in chief in 3rd year of college Karmarkar Sir was a great influence in teaching us that we not only need to excel in studies but other fields of life too. Dr Kharat sir always taught us to think out of box. Dr Sapre sir taught us to be vigilant and observant. Dr Rao sir, dean at the time was supportive in getting the college magazine out without us running around to look for sponsors. The librarians used to help us with showing the new journals and books. I can go on and on with all the teachers who had affected our lives. I have had lived one of my best days in college. Being a great campus was one thing but being surrounded by great teachers and great colleagues made my overall experience memorable. Thank you
Dr Sameer Bhate	1989	Sr Cardiovascular & Thoracic Surgeon; Transplant Surgeon	I owe my career to the teachers who taught with passion and enthusiasm And prepared us for the road ahead
