

**Bharati Vidyapeeth (DTU) Medical College, Pune****Best practices of Institution****2017-18****Department of Anatomy****1) Title of the Practice: Bone bank preparation****2) Objective of the Practice:**

To prepare bones from dissected cadavers as source of teaching material for the Ist MBBS students

**3) The Context:**

- I MBBS students in their study of subject of Anatomy need the bones of whole body
- It is difficult for students to procure the bones at low cost
- Department faculty also need bones for research purpose

**4) The Practice:**

- Bones from fully dissected body are chemically treated, dried and used for study and research purpose
- The bones are available to the students for self-study

**5) Evidence of Success:**

- We have enough number of bones prepared in the department for teaching and research purpose

**6) Problems encountered and resources required:**

Nil

**Bharati Vidyapeeth (DTU) Medical College, Pune**

**Best practices of Institution**

**2017-18**

**Department of Obstetrics and Gynaecology**

**1) Title of the practice: Pre preliminary examination for postgraduates.**

**2) Objective of the Practice:**

- To increase awareness of university examination.
- To prepare students for theory topics with wider angles.

**3) The Context**

Evaluation of postgraduates apart from log books.

**4) The Practice**

For the 1<sup>st</sup> time this examination was carried out as per university pattern one month prior to actual prelim examination.

**5) Evidence of Success**

Feedbacks attached are self-explanatory.

1. Dr. Meenal Khandeparkar

The pre -preliminary exams which were held were very useful and helped us assess ourselves and strategise how to time and structure the questions, it also gave us a list of questions to read and helped us focus on the topics in which we were lacking behind.

2. Dr. Gargi Deshmukh

Pre preliminary exams were very much useful as it helped me in assessing my study and how much I need to work /study more time management, and gave confidence to prepare for my finals.

**6) Problems encountered and resources required**

Resources of faculty for the conduct of additional examination were to be convinced as a task.
