BLOOD DONATION DRIVE

Date- 12/03/2022

A blood donation drive was held by the FIMRC - BVDUMC Chapter on the 12th of March, 2022 in collaboration with Rotaract Club - Pune Cantonment.

The donation drive saw a large turnout of donors not only from the medical college but also from the other Bharati Vidyapeeth colleges.

The volunteers of FIMRC aided by spreading the word throughout the various colleges about the drive and assisted the donors whenever they needed.

A proper screening was done for all of the donors before being cleared for donating blood. A temporary camp was set up in the Pathology Lab, with blood donation bags and portable blood donor beds.

Snacks and juice were provided to the donors along with certificate of donation.

We also had 2 online activities

- 1) Ear US Out- We recorded audio books and sent it for children of different orphanages
- 2) Online Teaching- We took online sessions on various topics for students of 5th-8th on various Topics
