

Brig (Dr) Ravi Rautji	Prof and Head FMT	Good infrastructure, excellent faculty, good academics
Dr Anupama Salunkhe	Assistant professor, physiology	Professional services are very good. Principal and Vice principal are very co- operative. Departmental and other departments teaching staff is also co-operative
Dr Modak	Professor	The institution provides an excellent infrastructure, a competitive healthy environment with constant encouragement for students and faculty alike to grow and expand their horizons
Dr Gayatri Godbole	Associate professor, physiology	Excellent infrastructure, conducive ambience, Hospital with all facilities.
Dr.Priti Pravin Dhande	Professor in Pharmacology	BVDUMC&HRC is always looking forward for an opportunity to enrich itself in terms of facility, faculty, services, student development, etc. The aura of being in such an enthusiastic environment gives me intense satisfaction and keeps me on my toes. Everyday there is an
Dr.Madhuvanti Karandikar	Assistant Professor PHYSIOLOGY	BVDUMC,has given me a platform to teach the students and to learn and grow in my subject.There is a nice blending between higher authorities and the faculty and students too.Hospital staff serves the
Dr Ravindra C Nimbargi	Professor, Pathology	I have been in BVDUMC college almost since its inception. What I admire is a special culture of Bharati family being maintained & nurtured amongst all those who are working in this institute without any discrimination of cadre, cast, religion or anything else. All respect & value each other, so that is what it makes BVDUMC unique from other institute. No wonder why we are so proud of BVDUMC
Dr Salil D Barsode	Professor ,Ob/ Gyn Dept	Wonderful and friendly atmosphere which helps in your growth . state of the art hospital and simulation lab for students
Dr Mahadevan Kumar	Professor Microbiology	BVDUMC has a very conducive atmosphere for teaching with all the latest facilities available. In the Hospital the staff and faculty are very cooperative and helpful. All in all the past three years with the institution have been professionally enriching
Pooja gupta	Senior resident,	I have done my ug and pg from here.. this college has changed my life .. evolved me to a mature , better person..
Asmita Phadke	Professor	I am proud to be a faculty in this institute. Environment is very conducive to teaching activities. We are encouraged to upgrade ourselves . Free hand while discharging duty. During Covid pandemic hospital rose to the occasion to save lives
Dr Preeti Doshi	Associate professor Pathology	It is an immense luck and fortune to be a part of this college where I can grow. Till now my twelve years as faculty and 3 years as post graduate student has been a wonderful experience and a memory to cherish

Dr Maitri Kaushik	Prof ENT	Excellent work place with high ethical clinical practices Constant support and encouragement for new ideas in teaching, learning by Institute Very productive professional discussions with colleagues Very good long term follow up of patients over last 22years, making me understand results of treatment
Jyoti Rathi	Senior resident	Good teaching, good work load, hands on
Ravi Kalra	Prof & HOD Cardiology	Bharati is an amazing place...providing quality medical care at reasonable rates, while giving every opportunity for professionals to grow in their careers!
Dr. Annapurna Raichurkar	Assistant Professor	It is excellent, with good facility in hospital with good care of patients.
Suprabha Patnaik	Assistant professor	Great place to learn n collaborate with support from the higher ups
Dr. Abhimanyu Kelkar	Professor	The organization has progressed by leaps and bounds in last few years. It lets you work with complete autonomy, recognises your merit, promises transperancy, and lets you confront healthy challenges. Personally, I feel I have grown as a radiologist and individual
Dr Neela Anil Vaidya	Associate professor in Biochemistry	I am proud to be faculty of esteemed Bharati Medical college from the very beginning 1989 till today.I have seen development and progress of this medical institute under the noble guidance of Late Patangraoji Kadam Saheb.Now today it stands as academically one of the best college internationally
Dr. Tushar Panchanadikar	Professor	Truely Renowned University... Good academically oriented college... Quality care of the patients in Bharati hospital
Dr Vijay Mate	Associate Professor	Very grateful to this institute as they provided opportunity to upgrade, nice culture to grow, very helpful faculty members in all situations
Dr Elizabeth Sada	Associate professor emergency medicine department	BVDUMC is an excellent and dynamic University..and a teaching Institute...for students ..and faculty..and also it works for betterment of its patients.It has also been contributing towards research.i wish good luck to them .
Dr Aarati Pokale	UG, PG Alumnus & Facul	My alma mater and now my workplace is like a second home to me. The years spent here as student (ug and pg) and now as faculty hold special place in my heart. Be it the student-friendly almost family-like faculty, back office staff, or the serene lush green campus - all go towards making a wonderful studying and working environment. I have witnessed over these years the expanding infrastructure - from basic to of state art- yet the faculty remain the same - caring, enthusiastic, student friendly ! It is truly a joy to be a part of the

Dr Shubhada Aphale	Professor Anaesthesia	Working as faculty since 30 years,almost a 'second home' for me with the same type of attachment.
Dr Sarojini Bobde	PROFESSOR	I had a great opportunity to practice Anaesthesiology with highest morals and ethics since 1995 , when outside medicine world was settling with inclusion of consumer forum in medical practice! Since beginning superspeciality surgeries was a major part of our experience, and kept me growing. Students from all corners of country and international students widen the horizons of experience
Dr Rajesh Ursekar	Assistant professor	BVDUMC is a safe & great working environment for any clinical professional. I hv completed almost 20 years of association .. I think that itself speaks. Modern campus with best teaching and learning experience
Jyoti Borse	A.p.in Anaesthesiologyj	BV is such a nice stage where students get different programs and they become MASTERS IN IT.Academically the college is very wonderful and Hospital is too good as it gives lots of good devices to poor peoples by giving back their Lives
Brig Dr Jeevan Galagali	Professor, Dept of ENT	A academically oriented, well staffed & excellently managed Medical College & Hospital with a patient friendly environment & close student teacher interaction. This great institution has been imparting knowledge and professional expertise to young minds to become good & great doctors, thereby providing services to the humanity at large. The hospital is very neat and clean & patient satisfaction grades are high. The academics are scheduled as per NMC guidelines. I have joined Bharati Vidyapeeth Medical College Hospital one & half years back after having spent 35 yrs in Army medical service. I feel I have taken a correct decision to be a part of this Institution in my second innings as professor in dept of ENT giving me an opportunity to impart & train and share knowledge with the UGs & PGs and younger colleagues. I am sure that the BVDUMC will grow in stature over the years to come , making it one of the best Medical College in the country. Jai Hind.

Dr Varsha Vaidya	Professor Community medicine	I am proud to be associated with Bharati Vidyapeeth Medical College for last thirty years. I consider myself fortunate to be part of the entire journey of developing medical college right from its inception .The Journey of Bharati University of establishing educational empire for social transformation through dynamic education is inspiring. Its beautiful campus, Excellent quality education, Very good infrastructure, dedicated faculty, supportive management has always been matter of pride. Its best place for quality medical
Dr Varindee Kalra	Assistant Professor, Anaesthesiology	I had been working as a senior consultant in mumbai for many years , and joined Bharti Vidyapeeth College abd Hospital in November 2019 (after superannuation of my husband from armed forces) . I was settling in department and soon there was Covid . I admire the dedication, the zeal and commitment to hard work of students , faculty and staff of hospital .Everyone has put in their best to look after pouring number of very sick patients as well their families under supervision and guidance of HODs & our dear dedicated Medical Director . The way the young frontliners worked nonstop day and night has left an everlasting impression in my mind and I see dedicated future doctors in making and am so proud of being a part of this family of Bharti Vidyapeeth Medial College and Hospital. Long
Sarita swami	Professor	BVDUMC is excellent place to develop carrier as medical faculty ,progressive institute .Management is very proactive fir faculty development. Its pleasure to work here.
Dr. Varsha Vaidya	Professor, Community Medicine.	I am proud to be associated with Bharati Vidyapeeth Medical College for last thirty years. I consider myself fortunate to be part of the entire journey of developing medical college right from its inception .The Journey of Bharati University of establishing educational empire for social transformation through dynamic education is inspiring. Its beautiful campus, Excellent quality education, Very good infrastructure, dedicated faculty, supportive management has always been matter of pride. It is the best place for quality medical
Shailaja D. Sawant	Tutor, Microbiology	Students are given knowledge to develop and improve as a student as well as an individual
Varshali Miral Keniya	Professor, Anaesthesia	UG: Curriculum very much updated, dedicated teachers. Vertical and horizontal integration done painstakingly and implemented effectively PG: Postgraduates are groomed effectively with clinical exposure and gruelling postgraduate teaching activities

Dr Shweta Thorat	Assistant Professor Anatomy.	This is our second home. I am calling it as a home because this is nothing less than family. Working environment is fabulous. All support and facilities are always available from college. It's an honor to be part of Bharati Vidyapeeth. Yes I am 'Bharati'
DR. AJAY ARVIND WALIMBE	Assistant professor in Pediatrics-PICU	BVDUMC AND HOSPITAL is great place to work. Environment is very conducive for work and overall development of faculty as well as students. Very structured programs for ug and pg.
Guruprasad	PICU, Assistant professor	Very good and regular academic program, good infrastructure and interdisciplinary backup. experienced senior faculty
Girish prasad kulkarni	PICU fellow	Amazing staff, faculty, healthy working environment, adequate facilities for patients
Dr Shilpa Gosavi	Prof and Head, Anatomy	Over the past 20 years working with BVDUMC is an enriching experience. It has helped me in professional growth with state of art facilities and promotion of research oriented aptitude. The encouraging environment has helped for personal growth and learning new skills. With students around the the campus is full of energy and enthusiasm.
Dr Ganesh Khemnar	Associate Professor Anatomy	BVDUMC and hospital has been a family to me. I am proud to be a part of it.
Dr Suchita Dabhadkar	Associate professor	We have a vibrant, pleasant, green campus. Walking from the car parking towards the hospital in the morning through the lush green campus is a rejuvenating experience. The impeccably clean hospital, working area makes the work more enjoyable. We have extremely caring senior faculty, enthusiastic junior faculty, curious bunch of students. All the paramedical staff is very helping and trustworthy. The management and all administrative heads are very supportive. Here, at Bharati medical College, there is always a vibe of "thriving for excellence" in the atmosphere. Personally speaking I got the opportunity to thrive in many academic pursuits while working in BVDUMC. I got the opportunity to complete the international 'FAIMER Fellowship' in medical education. The work culture is very employee friendly. I could finish "in-service fellowship" in Gynecologic oncology at Bharati hospital. Despite all the work, administration takes care of work-life balance as well. Cultural programs, sports events, celebrations of different day's like women's day are regularly arranged by the administration. In short, I am grateful to be working in Bharati Vidyapeeth Medical College.
