BVDU Medical College Pune **Internal Assessment Structure for M.B.B.S Course (New** **CBME pattern)**

Internal Assessment of MBBS (New CBME curriculum) students from 2019 batch onwards shall be conducted and assessed as per the guidelines laid down as under. These instructions are based on guidelines as issued by National Medical Commission and Amendment of The Regulations on Graduate Medical Education, 1997 Part II published vide Govt of India Gazette No. MCI-34(41)/2019-Med./161726 dated 04 Nov 2019.

Eligibility criteria for appearing university examination based on Internal Assessment:

The marks of internal assessment will be submitted to the University in the format provided by the University, by the Head of the Department, prior to the commencement of University examinations, after reduction of marks in theory and practical examinations separately as well as of total marks, to percentage format (i.e. out of 100%).

Students must secure at least 50% marks of the total marks (combining theory and practical / clinical) and not less than 40 % marks in theory and practical separately, assigned for internal assessment in a particular subject, in order to be eligible for appearing at the final University examination of that subject. Internal assessment marks will reflect as separate head of passing at the summative examination.

Remedial Internal Assessment Examination:

A committee will be formed under the chairmanship of Principal and Heads of the Departments of respective subjects to formulate remedial measures for students who are either not able to score qualifying marks or have missed some assessment due to any reason. As per the recommendations of the committee the additional examination (Theory and Practical of 100 marks each) for these students can be taken within 10 days of declaration of Block III/ Preliminary Examination Results.

Detention policy:

Students may be detained from appearing in university examinations if they are not eligible as per attendance or internal assessment criteria.

A) Attendance: Eligibility to appear in university examination:

Sr No	Subjects	Eligibility Criteria
1	Subject taught in one phase	75 % Theory ,80 % Practical.
2	Subjects taught in more than one phase	75 % Theory ,80 % Practical in each phase.
3	Subjects comprising of more than one subjects	75 % Theory ,80 % Practical in each subject
4	Electives	75% attendance in each block of the electives.

B) Internal Assessment: (IA) Examinations:

1. Phase I M.B.B.S (Year I)
