Hon'ble Dr. Patangraoji Kadam
Founder, Bharati Vidyapeeth, Pune
Founder Chancellor, Bharati Vidyapeeth (Deemed to be University) Pune (India)

“Knowledge liberates the mind and empowers the soul”.

About Founder Chancellor:

A few people become legends in their lifetime by their superlative achievements and exemplary qualities. Dr. Patangrao Kadam, the Founder Chancellor of the University was one of them. A man of foresight, he established Bharati Vidyapeeth in 1964 at the age of 19 years while he was working as a part time teacher in a School. One gets evidence of his unimaginable vision and sense of self confidence when one comes to understand that he had visualized of developing Bharati Vidyapeeth, a nascent institution into a full-fledged University while establishing it. His dream came into reality in April 1996 when the Government of India granted the status of “Deemed to be University” initially to a cluster of twelve institutions of Bharati Vidyapeeth in recognition of their high academic excellence and immense potential for further growth.

Dr. Kadam did not have a very propitious background. He came from a middle level farmers family in a small village Sonsal in Sangli District where the educational facilities were available upto 4th standard only. Fighting with all odd situations, Dr. Kadam obtained various Degrees including M.A., LL.B. and ultimately Ph.D. also.

He had realized that education could be a very effective means of all sided social transformation. Having experienced numerous difficulties in his early life, he had realized that better living opportunities will be available to the people from villages only if the younger generations there will have access to education.

Under his visionary leadership, Bharati Vidyapeeth expanded its activities very rapidly. He had tremendous compassion for the downtrodden and deprived. He had made it a mission of his life to provide opportunities to them for their upward mobility through the medium of education and employment.

Dr. Kadam, through Bharati Vidyapeeth and other institutions that he had established, has provided job opportunities to more than 10,000 people. Thousands of students could get education and could establish themselves in different fields mainly because of his generous help.

He has been a source of inspiration for all of us who are associated with Bharati Vidyapeeth and Bharati Vidyapeeth Deemed to be university. Under his leadership, the university has acquired identity as one of the leading universities in the country within a short span of two decades. The

high academic excellence of Bharati Vidyapeeth Deemed to be university has been touched by the high rankings which it has received from various Statutory Assessing Agencies. The NAAC has accredited this university in the first two cycles with “A” grade and in the third cycle with “A⁺” grade. The UGC has given this university a Category I University status which qualifies the university for additional academic autonomy and other privileges. The high ranking which it has received in the NIRF ranking also speaks volumes of the high academic standards of the University. Many reputed universities from abroad have entered into collaboration with the university.

Dr. Kadam’s contribution for the development of higher education in the country has been applauded and appreciated by several people of eminence from political, academic, social and also judicial fraternity.

From president of India, Hon’ble Dr. Pranab Mukherjee at the golden jubilee celebration of Bharati Vidyapeeth crowned Dr. Patangrao Kadam as one of the best educationists India has ever produced and acclaimed him as Father of Private and Deemed Universities in India. Former Chief Justice of India, Justice P.N. Bhagwani opined that “he has seen many parts of the world but an Institution like Bharati Vidyapeeth, he has not seen anywhere else. He further added that the credit of it shall go to Dr. Patangrao Kadam, the founder of Bharati Vidyapeeth who is the pride of India.”

We, at this University are committed to continue with the noble academic traditions which our Founder Chancellor has established and to fulfil further his dream of developing the University as one of the globally recognized University.

Dr. Shivajirao Kadam
Chancellor

Bharati Vidyapeeth (Deemed to be University), Pune

Education is not merely a stage in life; it is a lifelong journey. At our university, we strive to instill a passion for learning that transcends the classroom, nurturing minds that remain curious, innovative, and engaged throughout their lives."

Dr. Vishwajeet Kadam
Pro Vice Chancellor

Bharati Vidyapeeth (Deemed to be University), Pune

"Universities are not just places of learning; they are pillars of society. Our responsibility extends beyond education to include shaping ethical leaders, advancing critical research, and addressing the grand challenges of our time".

Dr. Manikrao Salunkhe
Vice Chancellor
Bharati Vidyapeeth (Deemed to be University), Pune

It is with great pleasure that I present the Annual Report of Bharati Vidyapeeth (Deemed to be University) for the year 2020-21. This report highlights our collective achievements, challenges overcome, and milestones reached on our journey towards academic excellence and institutional growth.

I am proud to showcase our university's accomplishments, including a NAAC A+ grade, securing the 68th rank in NIRF 2021, and being recognized as a Category-I institution with 2(f) and 12(b) status by the University Grants Commission (UGC), New Delhi. These achievements underscore our commitment to excellence and our leadership in higher education.

Guided by our motto, "Social Transformation through Dynamic Education," we focus on innovative curriculum planning, design, and execution to prepare our students as successful professionals and responsible citizens. We offer state-of-the-art infrastructure and resources to empower our faculty, students, and staff to excel in academia, industry, and society.

Over the past year, our university has demonstrated resilience, adaptability, and a steadfast commitment to our mission of fostering knowledge, innovation, and societal progress. As we reflect on our achievements, I am filled with pride and gratitude for the dedication and hard work of our university community.

We have implemented assessment reforms and practices to effectively track student progress and ensure the achievement of learning outcomes. Our programs emphasize holistic development, and our faculty and students engage in multidisciplinary and interdisciplinary research, contributing quality papers to national and international journals. Additionally, our students have excelled in various competitive events, bringing accolades to the university.

I extend my heartfelt gratitude to my colleagues, students, faculty, staff, and alumni for their invaluable contributions to our pursuit of excellence. None of this would have been possible without the support of our management, for which I am deeply grateful.

Thank you for your continued support and dedication.

MEMBER SECRETARY, NBA

Bharati Vidyapeeth:

Bharati Vidyapeeth, the parent body of Bharati Vidyapeeth (Deemed to be University) was established in May, 1964 by Dr. Patangrao Kadam with the objective of bringing about intellectual awakening and all round development of people of our country through education. Since its establishment, it has maintained the highest standards and has proliferated inventive practices in the education sector.

In the year 2013-14, Bharati Vidyapeeth celebrated the glorious Golden Jubilee year of imparting education and inculcating moral values among the youth. During the last 6 decades, Bharati Vidyapeeth has made astonishing strides in the field of education. It is now a leading educational institution in the country, which has created history by establishing 180 educational institutions imparting education from the pre-primary to the post graduate stage.

The spectrum of Bharati Vidyapeeth institutions of higher education spans all professional disciplines which include the colleges of Medicine, Dentistry, Nursing, Audiology, Optometry, Ayurved, Homeopathy, Engineering, Architecture, Management, Law, Pharmacy, Hotel Management and Catering Technology, Environment Education, Physical Education, Health Management, Biotechnology etc.

These educational institutions which have achieved an acclaimed academic excellence cater to the educational needs of thousands of students coming from different parts of India and abroad. Our teaching faculty includes highly qualified, experienced, dedicated and student-caring teachers. These educational institutions are located at various places viz. Pune, Navi Mumbai, Kolhapur, Solapur, Sangli, Karad, Panchagani, Jawhar and New Delhi. The colleges are affiliated to various universities including Bharati Vidyapeeth (Deemed to be University), University of Pune, University of Mumbai, Shivaji University Kolhapur and Indraprastha University, Delhi.

The spectacular success achieved by Vidyapeeth is mainly the result of unusual foresight, exceptionally dynamic leadership and able guidance of the founder of Vidyapeeth, Dr. Patangrao Kadam. It has been our constant endeavour to impart high quality education and training to our students and we have achieved success in these pursuits so that our institutions have earned reputation and high acclaim for their high academic standard.

Bharati Vidyapeeth (Deemed to be University):

Bharati Vidyapeeth (Deemed to be University) came into existence in April, 1996, when the Ministry of Human Resource Development, Government of India, in exercise of the powers under section 3 of the University Grants Commission Act conferred the status of University to 12 institutions of Bharati Vidyapeeth on the advice of the University Grants Commission, the apex body concerned with higher education in India which made assessment of the academic excellence achieved by the institutions through a committee of experts. Subsequent to that, the Government of India, vide its various notifications brought several other institutions of Bharati Vidyapeeth under the ambit of this University.

Bharati Vidyapeeth (Deemed to be University) is one of the largest multi- faculty, multi-campus Deemed to be Universities in the country which has created a very laudable track record of academic achievements since its inception. With the humble beginning, today university is having 29 constituent colleges conducting programmes under 12 different disciplines including Modern Medicine, Dentistry, Ayurved, Homoeopathy, Nursing, Arts, Science, Commerce, Engineering, Pharmacy, Management, Social Sciences, Law, Environment Science, Architecture, Hotel Management Tourism and Catering Technology, Physical Education, Computer Science, Library Science and Information Technology etc. The 29 constituent institutions of the University are located in different cities viz. Pune, New Delhi, Navi Mumbai, Kolhapur, Solapur, Sangli and Karad.

The University was firstly accredited by the National Assessment and Accreditation Council (NAAC) with the prestigious 'A' grade in 2004. It was reaccredited with 'A' grade in 2011 in its second cycle. Under third cycle of assessment, the university is accredited with 'A+' grade by the NAAC in 2017. The University has been graded as Category-I University by the UGC. The UGC has also recognized this University u/s12 (B) of UGC Act 1956. University is a Member of Association of Indian Universities and has been a Member of Association of Commonwealth Universities. NIRF Ranking of this University has been continuously within top 100 Universities in India. This year the University has been ranked at 76th position by NIRF 2022.

One of the distinctive features of this University is that it has three self-financing research institutes, which are involved in advanced research in

Bio Medical Sciences, Pharmaceutical Sciences and Social Sciences.

It is a university, which is academically and intellectually very productive. Its faculty members have a very remarkable track record of research publications and patents. It has digitalized the libraries in its constituent units and has been making an extensive use of modern Information and Communication Technology in teaching, learning, research and administration. The University attracts students from all over India and abroad due to academic reputation.

Bharati Vidyapeeth has a legacy of managing hospitals dedicated for the Society at large. University runs two Medical Colleges attached with Hospitals in Pune as well as in Sangli. Hospital in Pune is 1071 bedded Super-Specialty Hospital and the one in Sangli is a 760 bedded hospital. These hospitals are NABH and NABL accredited. Besides this, University is also having Dental, Ayurved, and Homoeopathy Colleges with attached Hospitals. In total there are 960 dental chairs and advanced equipment's like CBCT , Operating Microscope, Dental Digital Studio, Velescope (for premalignant dysplasia detector), Simulation/ skill preclinical laboratory (conservative and prosthodontics), Research Microscope, Dental lasers etc.

During the pandemic, hospitals have served the public and its services were recognized by various leading organizations including the Defence organization. It is pleasure to mention that the clinical trial of vaccination Covishield was undertaken at Bharati Hospital in Pune, based on its report, it has been approved to use for the public.

Vision:

To be a world class University for Social Transformation through Dynamic Education

Mission:

- To provide inclusive borderless access to higher education and vocational education based on merit.
- To offer varied professional, technical, vocational, and general education programs to meet the changing and diverse needs of society in a global context.
- To provide quality higher education for liberation of mind and empowerment of hands.
- To promote quality research in diverse areas of development and engage in application of knowledge for community development.
- To develop national and international networks with industry, service sector and other academic and research institutions to meet the expectations of various stakeholders.
- To promote extensive use of ICT for enrichment of teaching learning and for effective governance.
- To make quality an integral part of all University operations by promoting innovative practices.

Strategic Goals:

- Impart world-class education in different areas of knowledge to students as per their choices and inclination.
- Offer state-of-the-art infrastructure equipped with all the facilities to cater to the needs of students, faculty, and staff.
- Bring education within the reach of rural and girl students by providing them substantive fee concessions and subsidized hostel and mess facilities.
- Nurture students to not only make them competent professionals but also responsible citizens and noble-minded human beings.

- ✚ Bharati Vidyapeeth (Deemed to be University) is one of the multi-faculty, multi-disciplinary and multi-campus Deemed to be University in India.

Academics

Within the University, the Academic Council holds the highest authority in developing and overseeing academic policies, programs, and regulations. Deans are appointed to manage specific faculties, providing strategic direction, administrative support, and faculty development. The Board of Studies (BOS), comprised of subject matter experts and faculty members, is responsible for designing and updating the curriculum, syllabi, and academic programs to ensure their relevance and quality. Together, these bodies play crucial roles in shaping and maintaining the academic standards, integrity, and excellence of the university's educational offerings. Their collaborative efforts continually improve and refine academic programs to meet the evolving needs of students, society, and the academic community.

Committees:

Academic Programmes offered by the University:

In academics, the university continues to be the leaders in offering a number of traditional and innovative academic programmes. The University offers a total of 157 programs, among them are Ph.D., Super specialty Degree, PG Degree, PG Diploma, Degree programs, Certificate and other courses. University offers dynamic courses and curricula. Need-based changes are made from time to time, keeping in view the guidelines issued by the respective Regulating Councils and also to improve the professional knowledge and skills. This year, competencies like Professionalism, Ethics, Communication Skills, Leadership Skills, Team Work etc. were incorporated in curriculum.

List of Programmes offered under various Disciplines:

Faculty of Medical Sciences
MBBS
MD Anatomy
MD Physiology
MD Biochemistry
MD Pathology
MD Microbiology
MD Pharmacology
MD Community Medicine
MD Medicine
MD Pediatrics
MD Dermatology
MD Psychiatry
MD Respiratory Medicine
MD Radio Diagnosis
MD Anesthesiology
MD Emergency Medicine
MS General Surgery
MS Orthopedics
MS Oto-Rhino-Laryngology
MS Ophthalmology
MS Obstetrics & Gynecology
DM Critical Care Medicine
DM Neonatology
DM Cardiology

DM Medical Gastroenterology
MCh. Urology
Fellowships
MSc Medical Anatomy
MSc Medical Physiology
B. Optometry
M. Optometry
BASLP
MSc Audiology
MSc Speech LP
MHA
BSc Radiography
BSc Lab Sciences
BSc Resp Care Technology
BSc Cardiovascular Technology
BSc Anesthesia and OT Technology
B.Sc. Neuro Electrophysiology Technology

Faculty of Dentistry
BDS
M.D.S. (Prosthodontics and Crown & Bridge)
M.D.S. (Periodontology)
M.D.S. (Oral & Maxillofacial Surgery)
M.D.S. (Orthodontics & Dentofacial Orthopedics)
M.D.S. Oral Pathology & Microbiology
M.D.S. (Conservative Dentistry and Endodontics)
M.D.S. (Oral Medicine & Radiology)
M.D.S. (Pediatric & Preventive Dentistry)

Faculty of Ayurved
BAMS
MD- Ayurved Samhita evam Siddhant
MD- Rachana Sharir
MD- Kriya Sharir
MD- Dravyaguna Vigyana
MD- Rasa Shastra evam Bhaishajya Kalpana
MD- Roga Nidan Avum Vikrit Vigyana
MD- Swastha Vritta
MD- Agad Tantra
MD- Kayachikitsa
MD- Kaumar Bhritya – Bala Roga
MD- Panchkarma
MS- Prasuti avam Stri Roga
MS- Shalya Tantra
MS- Shalaky Tantra

Faculty of Homeopathy
BHMS

M. P.Ed
MA- Dance
MA- Music
MSW

Faculty of Interdisciplinary Sciences
MSc- Geoinformatics
MSc- Environmental Science and Technology
M.Sc. in Wildlife Conservation Action
MSc- Medical Biotechnology
MSc- Bioinformatics
BSc- Biotechnology

New Degree Programmes, Fellowships and diplomas introduced by the university across all faculties in the year 2020-21:

Name of the Programme	Name of the Faculty
D. M. Medical Gastroenterology	Faculty of Medical Sciences
B.Sc. Neuro Electrophysiology Technology	Faculty of Medical Sciences
BSc Cardiovascular Technology	Faculty of Medical Sciences
BSc Anesthesia and OT Technology	Faculty of Medical Sciences
B.Tech- Computer Science and Engineering (AI &ML)	Faculty of Engineering
M.Tech Civil (Water Resource Engineering)	Faculty of Engineering
B.Tech Electronics and Communication Engineering	Faculty of Engineering
B.Tech- Robotics and Automation	Faculty of Engineering

Value added Courses:

In addition to the core curriculum, the university offers value-added courses aimed at giving students' practical skills and knowledge that enhance their academic learning. These courses focus on boosting employability by providing industry-specific skills and certifications. They foster interdisciplinary learning, encouraging students to explore various fields beyond their primary studies. By offering value-added courses, universities address changing industry trends and prepare students for the evolving job market demands. Ultimately, these courses support students' comprehensive development, enriching their education and improving their professional prospects.

102 value-added courses were offered in the year 2020-21.

Certificate course in biostatistics in medical research
Yoga
Computer skills
Infection Control, Basic life support & First Aid
Yoga, Meditation
Language & Communication
Yoga
Self-Driven Personality Development Program
Dental Photography
Lasers
Research Methodology
Basic Oral Implant ology
Aesthetic Dentistry
Basic and advanced life support
Personality Development
Pain Management
Infant and Child Feeding Practices
Respectful Maternity Care
Quality Management in Nursing
Climate change and human health
Research publication writing
Intellectual Property Rights
Personality Development
Yoga & Nutrition
Animal handling and experimentation techniques

Yoga and Meditation
Diploma in Network Security
Creative Writing and Law
Law & Literature
Vakili Vyavasay surukarnyaadhichi Purvatayari
Law & Economics
Pragmatic Approach of Cyber law
Legal Research & Article Writing
Basic Instrumental Methods of Chemical Analysis
Introduction to Solar Photovoltaic Systems
Food fermentations and domestic applications
Microbial Diagnostics and Public Health
Advanced Excel
Cyber Threat Intelligence
Vmware vSphere 6.7
Food Chemistry analysis
Nano biotechnology
Human Microbial Disease Management
Microbial Quality Control in Food & Pharmaceutical Industries
Understanding E-Commerce Space
Marketing of Financial Services
Introduction to Investment Banking
Capital Market, money Market and Mutual Fund
Marathi Spelling and Typography Certificate Course
Certificate Course in Personality Development

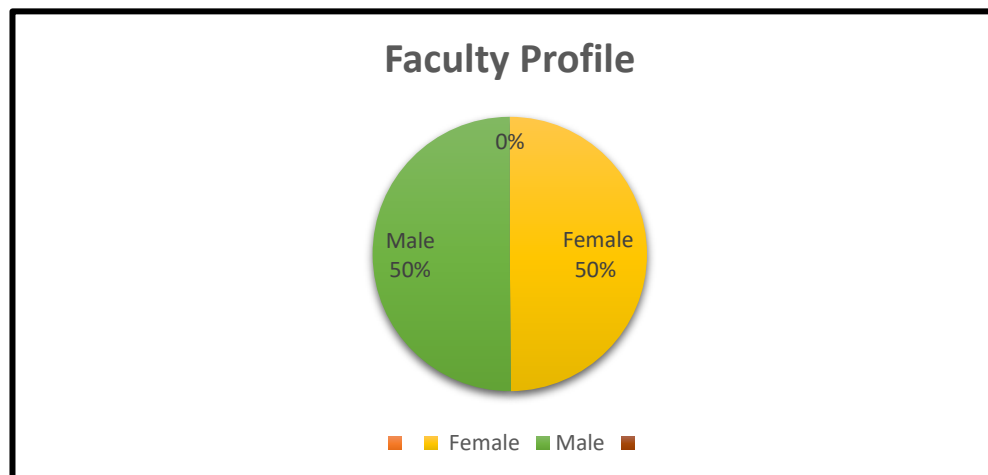

Cyber Security
Advanced Excel
Introduction to Python
Digital Marketing
Financial Modelling
Website Development using WordPress
Programming JQuery and AJAX
Career Progression
Universal Human Values
White Collar Crimes And Financial Frauds
Child Rights In India- Protection Welfare And Development
Air And Space Law
AI And Law: Legal And Practical Implications
Values for excellence in life
Fruit and Vegetable Carving
Contemporary Flower Arrangement
Effective Team Building in Hospitality
Sensitization to disability
Art of Material Development for Audiology and speech language pathologists
Disaster management
Professionalism and Clinical Etiquette
Orientation to Research writing
Software for Statistical Analysis
German Language
Japanese Language

Universal Human Values
Basic life support
Human Behavioural Science-I
Human Behavioural Science-II
NEET Training
Communication Skills
Yoga Philosophy & Practice
Stress Management

Bioethics In Patient Care
Health And Fitness Through Yoga
Personality Development
Communication Skill and Personality Development
Basic Knowledge About Sports Care
Research Paper Writing
Dental Ethics
Introduction to Python Programming
Cyber Security
Stress Management
Internet of Things
Basics of Pharmacology
Emergency Medical Services and Personality Development
Yoga & Meditation
Disaster Management - First Responder training
Self-mastery and Leadership enhancement
Holistic skill development

Faculty / Staff Profile:

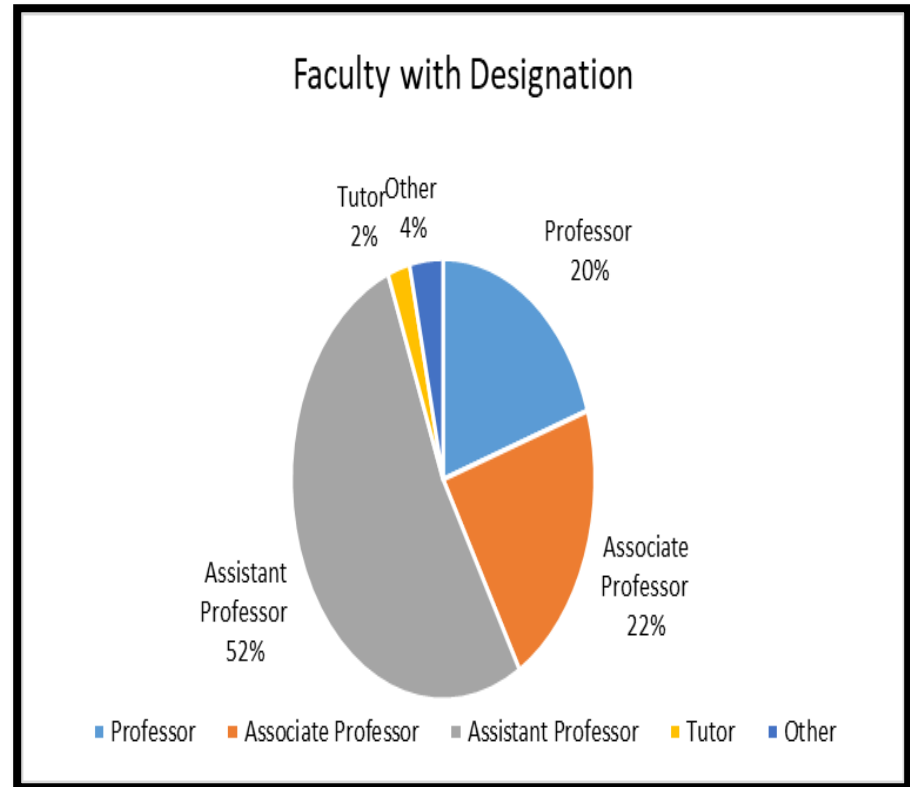

Bharati Vidyapeeth University, Pune, boasts a team of experienced, motivated, and dedicated teachers, who are among the institute's greatest strengths. With a total of 1572 faculty members, comprising 784 females and 788 males, our teaching staff is committed to fostering an interactive teaching-learning process. Students are placed at the forefront of this process, and faculty members consistently strive to create a healthy learning environment. Furthermore, all teachers are proficient in utilizing modern teaching technologies to enhance the educational experience.

Gender	Count
Female	784
Male	788
Grand Total	1572

We have a good blend of senior, experienced professors and associate professors with young enthusiastic and student friendly junior staff of Assistant professors and tutors. Average teaching experience of teachers is 14 years.

Designation	Count
Professor	314
Associate Professor	340
Assistant Professor	825
Tutor	37
Other	56
Grand Total	1572

All the teachers are qualified as per UGC and other council norms and trained in medical education and other areas. The new staff members are regularly trained by their Institute. Various teachers have received training in their specialty and super specialty. The number of teachers joining this prestigious institute increases year by year.

Average experience of faculty members is 14 years.

Qualification	Count
PhD	398
PG	1061
UG	69

Faculty Awards and Achievements:

The esteemed faculty members of the University consistently demonstrate excellence in their fields, earning numerous awards and accolades that highlight their dedication and expertise. From prestigious research grants to distinguished teaching awards, their accomplishments underscore their commitment to advancing knowledge and fostering academic excellence. Moreover, many faculty members have been recognized for their exceptional contributions to community engagement, innovation, and leadership, further enhancing the university's reputation for excellence. Their unwavering efforts and remarkable achievements are a testament to the calibre and talent that define our university.

Total 36 awards were received by our university faculty members. Of them 8 are international awards, 21 national and 7 state level awards. University regularly appreciates the faculty who excel in their fields.

International	National	State
08	21	07

International awards:

Name (s) of teachers who received the awards /Recognitions	Title of the Award (s) /Recognitions	Name of the agency /agencies that awarded /Recognitions
Dr K R Mahadik	Special recognition award	8th International congress of society for ethno pharmacology India
Dr L. Sathiyarayanan	Special recognition award	8th International congress of society for ethno pharmacology India
Dr Prashant Rao	Review Article Competition	JSPM, Airlaanga University, Indonesia
Dr Shweta Chaudhary	Third prize at International conference in Dentistry and Oral Health	Organised by Institute Prime Cursos, Brazil and Asia Pacific Association of Dental and Oral health
Dr. Shams U. Nisa	International Women Research Award. International Scientist Award on Engineering, Science and Medicine.	VDGOOD Professional Association. Trivandrum, India
Dr. Sujatha P	Received award Young Dentist in Pedodontics by 3rd Venus International Healthcare Award-VIHA 2020 on 31st August 2020	3rd Venus International Healthcare Award-VIHA 2020
Dr. Sadhana Joshi	Editorial Board Member for BMC Pregnancy & Childbirth	BMC, London
Dr. Kirti Mahajan	Exemplary Academic Leader of the year award	Awards & recognition committee (ARC) common seal of Bestow Edutrex International

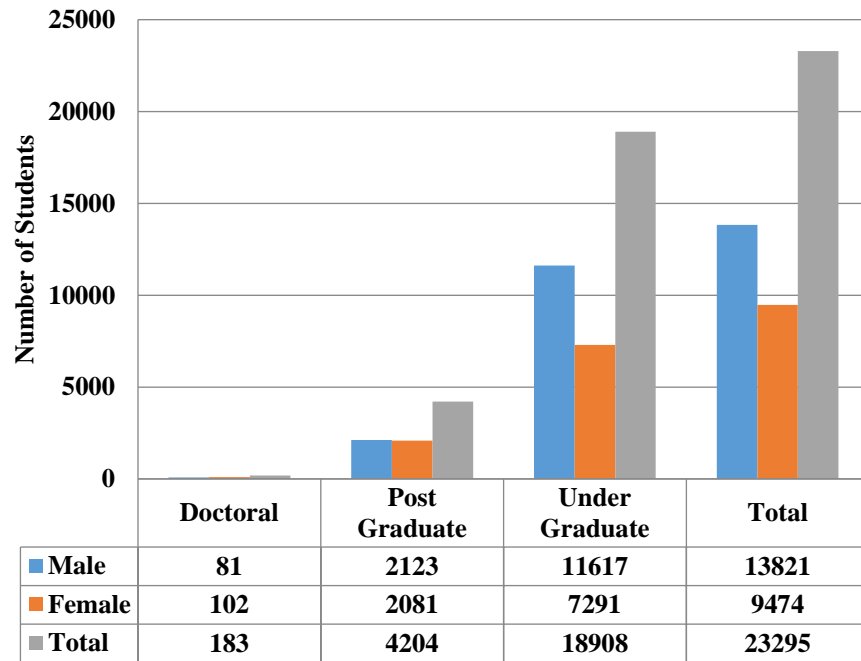

Student Profile:

University boasts a diverse and dynamic student body comprising undergraduate, graduate, and doctoral students from various backgrounds. Their diverse perspectives and collaborative spirit enrich the university's learning environment, fostering a culture of inclusivity and innovation. With a passion for learning and a drive for excellence, our students embody the ethos of university and contribute to its vibrant academic community.

University comprises a total of 23295 students. We promote equality and an equal platform for all genders. The numbers are as follow: Female students 9474 and Male Students 13821.

Programme Level	Male	Female	Total
Doctoral	81	102	183
Post Graduate	2123	2081	4204
Under Graduate	11617	7291	18908
Total	13821	9474	23295

Student Profile

Student Profile

Ph.D.:

In doctoral education, the university continues to attract and nurture a vibrant community of PhD students dedicated to academic excellence and groundbreaking research. Over the past year, PhD student enrollment has seen a steady increase. Our PhD programs span a wide range of disciplines, offering students the opportunity to pursue their research interests under the guidance of esteemed faculty mentors. Through rigorous coursework, independent research projects, and interdisciplinary collaboration, our PhD students are equipped with the knowledge, skills, and expertise to make significant contributions to their fields.

In the year 2020 -21, 241 students are enrolled into Ph.D. programme under various disciplines.

PhD:

	Male	Female	Total
Number of Students Enrolled	108	133	241
Number of Students awarded Ph.D.	29	37	66

UGC Compliances and Major Departments of University:

The University is fully committed to complying with all mandatory regulations and has adopted various quality initiatives to ensure excellence in every aspect of the institution.

The university meticulously adhere to all guidelines set forth by the UGC, ensuring that academic programs, administrative processes, and infrastructure meet the highest standards of quality and integrity.

The university complies rigorously with all regulatory requirements mandated by governmental authorities, including those related to accreditation, affiliations, and financial transparency. It regularly conduct internal audits and assessments to evaluate adherence to UGC guidelines and quality standards, identifying areas for improvement and taking proactive measures to address any deficiencies promptly.

All academic programs offered at University have received approval from the respective statutory council's viz. UGC, AICTE, NBA, MCI, BCI, COA, DCI, PCI, RCI etc. reaffirming the quality and credibility of educational offerings. The approval of our academic programs by these councils underscores our commitment to academic excellence, adherence to regulatory requirements, and alignment with industry standards and best practices.

Furthermore, in addition to meeting UGC compliances, university prioritize the implementation of stringent quality mandates to uphold academic excellence and foster a conducive learning environment for students. This strengthens its position as a leading institution dedicated to nurturing intellectual growth and empowering future leaders.

Initiatives of the University to comply with Mandatory Requirements:

Institutional Development Plan:

The University has adopted Institutional Development Plan (IDP) in alignment with the guidelines established by the (UGC). This plan serves as a strategic roadmap for enhancing the overall effectiveness, efficiency, and quality of university's academic and administrative operations. It encompasses various aspects including infrastructure development, faculty recruitment and development, student support services, research initiatives, and community engagement efforts.

Research and Development Cell:

The University has a dedicated Research and Development (R&D) Cell to serve as a centralized hub, facilitating interdisciplinary collaboration, providing resources for innovative research projects, and promoting industry partnerships.

Institutional Innovation Cell:

Institutional Innovation Cell is operational at the university that represents the fostering of creativity and entrepreneurship within academic community. It serve as a catalyst for innovation, providing a platform for students, faculty, and staff to explore, develop, and implement novel ideas and solutions. The Institutional Innovation Cell offer resources, mentorship, and networking opportunities to support innovative projects and ventures.

Internal Quality Assurance Cell:

The Internal Quality Assurance Cell (IQAC) at University plays a pivotal role in ensuring and enhancing the quality of education and institutional effectiveness. It is responsible for developing and implementing quality benchmarks and systems across all academic and administrative units, facilitating continuous evaluation, feedback, and improvement processes to maintain academic standards and regulatory compliance.

Department of Academic Development:

The university has a dedicated Department of Academic Development to enhance the excellence and integrity of academic programs. This department oversees the continuous improvement of teaching methodologies, curriculum design, and assessment practices across all disciplines.

Professor of Practice:

University has initiated a significant step forward in bridging the gap between academia and industry by adopting the Professor of Practice initiative recommended by the UGC. This initiative aims to enrich academic programs by integrating real-world expertise and practical insights into the curriculum. The distinguished professionals, renowned in their respective fields, have joined university faculty to share their wealth of knowledge, experience, and industry best practices. Through this practice, students will benefit from hands-on learning opportunities, mentorship, and industry-relevant projects that will equip them with the skills and competencies needed to excel in their careers.

Code of Conduct:

University practices a uniform Code of Conduct, outlining its shared values and expectations for behavior within academic community. This code sets forth principles of respect, integrity, and responsibility that govern the actions of all students, faculty, staff, and visitors. It emphasizes the importance of maintaining a safe, inclusive, and supportive environment where all individuals are treated with dignity and respect. The University Code of Conduct prohibits acts of discrimination, harassment, dishonesty, and other behaviors that undermine the well-being and rights of others. By adhering to this code, university upholds the highest standards of ethical conduct and contribute to a positive and vibrant campus culture.

Grievance Redressal Cell:

Grievance Redressal Cell at University, ensures a fair and transparent environment for all members of the community. This cell provided a structured mechanism for addressing concerns, complaints, and grievances promptly and effectively.

Women's Welfare Cell:

Women's Welfare Cell at University, promotes gender equality and ensures the well-being of women within academic community. This initiative aims to provide support, resources, and advocacy for women students, faculty, and staff members, addressing their unique needs and challenges. The cell work towards creating a safe, inclusive, and empowering environment through awareness campaigns, workshops, and counseling services. This helps to create opportunities for women to thrive academically, professionally, and personally.

Student Welfare Cell:

The Student Welfare Cell at University, is dedicated to enhance the overall well-being and academic success of student body. This initiative aims to provide comprehensive support services, resources, and programs to address the diverse needs of students. By promoting a caring and supportive environment, the university strives to empower students to overcome challenges, achieve their full potential, and thrive during their academic journey at University.

Learning Outcomes-Based Curriculum:

University has adopted a Learning Outcomes-Based Curriculum Framework (LOCF), ensuring that all academic programs are designed to achieve clearly defined learning outcomes. The LOCF represents a student-centric approach to education, focusing on defining clear learning outcomes and aligning curriculum, teaching methods, and assessment practices to achieve these outcomes effectively. This initiative enhanced the quality and relevance of academic programs, ensuring holistic development of students and alignment of the curriculum with evolving industry needs.

Skill Development Courses:

University offers a broad range of Skill Development Courses in alignment with the UGC's initiative to enhance employability and industry readiness among students. Covering a wide range of disciplines, these courses offer hands-on training, industry-relevant curriculum, and certification upon completion to enhance their employability and career prospects.

Faculty Development Programs:

University prioritize the professional development of faculty members through ongoing training, workshops, and seminars aimed at enhancing teaching effectiveness, research capabilities, and leadership skills.

Student Support Services:

University provides comprehensive support services to students, including academic advising, counseling, career guidance, and extracurricular activities, to ensure their holistic development and success.

Health and Safety Standards:

The safety and well-being of students, faculty, and staff are paramount. University maintain strict adherence to health and safety standards prescribed by local, national, and international regulatory bodies.

Adoption of various guidelines:

The University has adopted various guidelines given by UGC from time to time:

Internship/Research Internship for Undergraduate Students to provide valuable opportunities for practical experience and research exploration and preparing students for the demands of the professional world.

Sustainable and Vibrant University-Industry Linkage System: to strengthen the ties between academia and industry to promote collaboration, innovation, and real-world application of knowledge.

Life Skills (Jeevan Kaushal) 2.0: To equip students with essential life skills to navigate challenges, make informed decisions, and lead fulfilling lives.

Promotion of Physical Fitness, Sports, Students' Health, Welfare, Psychological, and Emotional Well-Being at Higher Educational Institutions: To prioritize the well-being of students through physical fitness activities, sports, and comprehensive support services.

Environment Education at undergraduate level: To integrating environmental awareness and sustainability principles into the undergraduate curriculum, fostering environmental stewardship among students.

Incorporating Indian Knowledge in Higher Education: To recognize and incorporate traditional Indian knowledge systems into the academic discourse, enriching the educational experience with diverse perspectives.

Fostering Social Responsibility and Community Engagement: To encourage students to actively engage with societal issues, contribute to community development initiatives, and cultivate a sense of social responsibility.

Internationalization of Higher Education: To promote global perspectives, cultural exchange, and collaboration with international institutions to enrich the educational experience and prepare students for global citizenship.

Adoption of UGC Quality Mandates:

University adopts several UGC Quality Mandates aimed at fostering holistic development and academic excellence. These initiatives include **STRIDE** (Scheme for Trans-disciplinary Research for India's Developing Economy), **Paramarsh** (Scheme for Mentoring NAAC Accreditation Aspirant Institutions), **Deeksharambh** (Student Induction Programme), **SATAT** (Scheme for Trans-disciplinary Education and Training), **Guru-Dakshta** (Training of Higher Education Faculty using MOOCs), **Inclusion of Human Values in Education**, and **Fostering Social Responsibility and Community Engagement**.

By embracing these mandates, University reaffirms its commitment to promoting interdisciplinary research, mentoring institutions for accreditation, supporting student induction, providing transdisciplinary education and training, enhancing faculty development, integrating human values into education, and fostering social responsibility and community engagement.

International Student Cell:

The Office of International Affairs serves as a central hub, streamlining various global activities. It facilitates academic exchanges and collaborations, including international student admissions, playing a pivotal role in institution's global endeavors. Committed to fostering international collaboration and research excellence, it contributes significantly to university's recognition as a world-class institution.

The various activities conducted by International Student Cell:**Celebration of 'International Yoga Day':**

As per the directives of University Grants Commission, Bharati Vidyapeeth (Deemed to be University) has celebrated International Day of Yoga (IDY) on 21st June 2020, Sunday with a focus on Social Distancing. Office of International Affairs coordinated with all constituent units of BV(DU) to celebrate IDY at home with family and to join Common Yoga Protocol (CYD) Drill on 21st June 2020 at 7am, which was a 45-minute Yoga Protocol developed by accomplished Yoga experts whose details were available on Ministry of Ayush's Social Media Platforms. Principals'/Directors encourage students and faculty members to perform Yoga at Home, with Family and be Safe by using ICT and watching live yoga performances by providing You Tube links on which Live meditation session was available in three languages for teachers and students at different timings.

❖ **Online MOU Signing and Meeting With EU-Spirit Partners: A Virtual Inauguration:**

In a pioneering move, Bharati Vidyapeeth (Deemed to be University) BV(DU) successfully launched its collaboration with EU-SPIRIT partners through an online Memorandum of Understanding (MOU) signing and inaugural meet on February 1, 2021.

Given the global challenges posed by the ongoing pandemic, the university adapted to the virtual landscape, replacing face-to-face interactions with an innovative and efficient online format. The kick-off and signing ceremony marked the commencement of a promising collaboration, setting the stage for a series of subsequent virtual meetings.

The inaugural meeting on February 2, 2021, witnessed our bidding partner, Lovely Professional University (LPU), hosting a virtual signing of the partnership agreement. A highlight of the event was the presence of Mr. Eugenio, our Erasmus + desk officer, who joined us in celebrating this significant milestone.

Despite the physical distance, the online platform facilitated meaningful discussions, collaboration, and the formalization of partnerships. BV (DU) remains committed to leveraging technology to foster global connections and advance academic cooperation.

Webinar on “LLM Opportunities for New Law College Students at Nottingham Trent University”

Date: 23rd April 2021

Bharati Vidyapeeth (Deemed to be University)’s International Students’ Cell had organized a Webinar in association with Nottingham Trent University (NTU), Nottingham for final year students of New Law College, Pune who wish to pursue their second post-graduation degree in law on 23rd April, 2021 on topic, “LLM OPPORTUNITIES FOR NEW LAW COLLEGE STUDENTS AT NOTTINGHAM TRENT UNIVERSITY” by Dr Vasileios Adamidis, Principal Lecturer and International Manager of Nottingham Law School. Dr. Adamidis started with introducing the Nottingham Trent University, Nottingham Law School, and its special achievements. He further elaborated on the various courses available for students to pursue. He also explained the various career options available for the Indian students and the special discounts including scholarships available for New Law College Students exclusively. He then stressed on the programmes specifically focusing LL.M Research Degrees and the various career alternative available for successful students both in UK and back here in India. Dr. Adamidis also highlighted the ‘Special Graduate Law Programme (Conversion Programme) which makes Indian students eligible to become Barristers or solicitors in UK and in turn making them eligible to practice legally in UK’s Courts and Judicial establishments.

The session then was briefly taken over by Ms. Vidhi Sahae, Senior Global Partnerships Manager (South Asia, Southeast Asia, Australia), NTU Global, NTU, who was kind enough to explain in detail further possible opportunities and reassured the students with all possible help with students’ application to the Nottingham Trent University. Then the session was followed by question and answer.

Webinar on “IIT Roorkee & Wiley – Post Graduate Certification in AI for BFSI”:

IIT RORKEE

BHARATI VIDYAPEETH
DEEMED UNIVERSITY
PUNE

bvucop

WileyNXT

Bharati Vidyapeeth (Deemed to be University)
College of Engineering, Pune

Presents

Webinar on

IIT Roorkee & Wiley -
Post Graduate Certification in AI for BFSI

27TH August

3:00^{PM} to 4:00^{PM}

Miles Education
Official recruitment partner

Date: 27th August 2020 and 7th September 2020

Miles Education Private Limited introduce the IIT Roorkee and Wiley - PG Certification for AI in Banking & Finance. Miles Education is the official program recruitment partner. This is the only program from IIT and Wiley to specialize in cutting-edge AI, ML, and Deep Learning applications in the real-world context of Banking and Finance. It is a most in-demand certification, and gateway for highest paying AI-ML jobs.

To guide interested students at College of Engineering, Pune about this program, BV (DU)'s Office of International Affairs organized a webinar in association with Miles Education Pvt. Ltd. on 27th August 2020 and on 7th September 2020. Webinar was organized for the students at Institute of Management & Entrepreneurship Development, Pune.

The program helps to understand the deep skills in most commercially used AI, ML, and Deep Learning techniques. Learning from actual business use cases and intensive case studies from the top industry

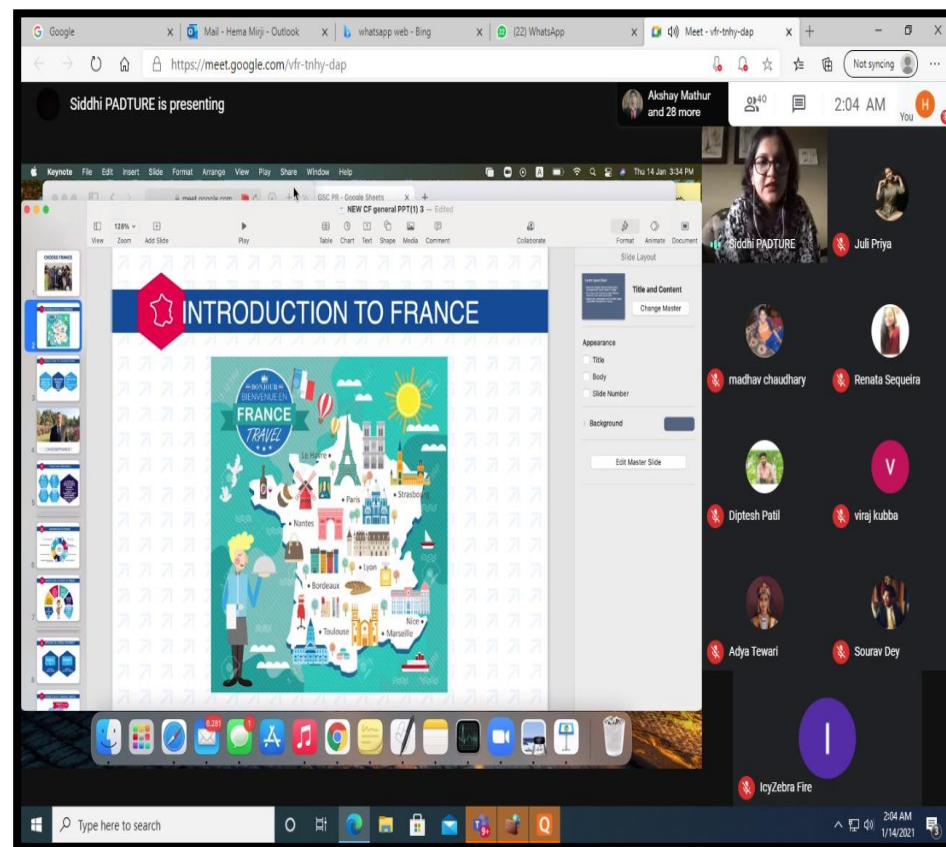

leaders of AI and digital technologies in the Banking and Finance Industry.

Webinar on ‘Study in France’:

Bharati Vidyapeeth (Deemed to be University)’s Office of International Affairs has organized ‘Study in France’ webinar in cooperation with Campus France, The Embassy of France in India for counselling and guiding the students about Higher Education Opportunities in France, the application process and doing the visa interview.

The webinar was organized in Institute of Management and Entrepreneurship Development, Pune (IMED) on 14th January 2021 and at College of Engineering, Pune on 15th January 2021. It was coordinated by Dr. Ingawale, Dr. Hema Mirji at IMED, Pune and by Prof. Nachiket Kulkarni at College of Engineering, Pune.

Ms. Siddhi Padture, Head of the Pune office for Campus France was the Speaker for the said Webinar. She briefs about Campus France, benefits provided by the French Government to the students, French Education System. She acquainted students with how they can get admissions in French University, internship, explained the procedure for applying to a public university through campus France and get admission, different scholarship opportunities. Around 50+ students of IMED, Pune and 100+ students at College of Engineering, Pune have attended webinar. This event was effective and good for the students.

Webinar on “Study in Australia”:

A webinar conducted by the University of Newcastle, Australia, on “Study in Australia” on 23rd January 2021. The webinar aimed to provide students with valuable insights into the Australian education system and the opportunities available for international students.

During the webinar, representatives from the University of Newcastle provided detailed information about the courses and programs offered by the university, the admission process, scholarships, and other related matters. Students were able to learn more about the Australian education system, which is known for its academic excellence and research opportunities.

Prof. Dr. Kirti Mahajan, the Director of the Office of International Affairs, was present to address any queries raised by students. This provided an opportunity for students to clarify their doubts and seek guidance on matters related to studying in Australia.

Around 112 students attended the webinar, and they expressed their appreciation for the informative session. Many students expressed their interest in pursuing higher education in Australia and sought guidance on the admission process, scholarships, and other related matters.

At college the event coordinated by Prof. Nachiket Kulkarni was a success, and it provided students with a valuable opportunity to learn more about studying in Australia. The coordinators and guest speakers are commended for their efforts in organizing and delivering an informative and engaging session.

Webinar Organized on “International Training, Assessments and Global Education”:

The Office of International Affairs organized the webinar on 'International Training, Assessments, and Global Education' dated 6th February 2021 and was coordinated by Prof. Nachiket Kulkarni at the College of Engineering, Pune. The webinar aimed to provide students with detailed information about international training and assessments and how they can help prepare students on all parameters of global assessments, which are mandatory for students.

During the webinar, the presenters provided comprehensive information about the structure and benefits of international training and assessments. They also highlighted the importance of such assessments for students who wish to pursue higher education or work opportunities in foreign countries.

A total of 41 students attended the event, and they appreciated the detailed information provided about international training and assessments. Many students found the session useful in preparing for global assessments and enhancing their chances of success in pursuing higher education or work opportunities abroad.

Overall, the event was a success, and the coordinators are commended for their efforts in organizing and delivering an informative and engaging session.

Examination Department:

The Examination Department of university meticulously oversees all aspects of academic assessment and evaluation. With a dedicated team ensuring the integrity and fairness of examinations, it upholds the academic standards and regulations set by the institution. From scheduling exams to publishing results, the department plays a crucial role in the smooth functioning of the academic calendar.

Initiatives by the Examination Cell

- Unique Question paper distribution system
- Question bank system for drawing up of question papers
- Computer Based Online Digital Assessment System
- Display of University examination results online for access to students
- Online system for sending Appointment Letters to examiners for theory paper setting
- Online system for sending Appointment Letters to examiners for practical
- LAN System developed so that appointment of examiners can be done by individual institutions.
- Online system for preparation of University examination Time tables
- Digitization and Onscreen Evaluation of Answer scripts
- Submission of marks through soft copy
- Barcode system for answer sheets
- Remote Question Paper Setting System
- Online Question Paper Distribution System
- Online System for Sending Dissertations to Experts
- Appointment of Custodian at the University examination section
- Conduct of examinations through MCQ mode through home based remote proctored internet test
- Digitization of old records for quick retrieval have been done and made available for quick reference.
- Transcripts for World Education Services (WES)
- Analysis of question papers based on blooms taxonomy

Major Initiatives taken by the Examination section:

- Appointment of Custodian at the University examination section
- Conduct of examinations through MCQ mode through home based remote proctored internet test
- Digitization of old records for quick retrieval have been done and made available for quick reference.

Digital Initiatives by the ICT Cell:

The University always acts proactively to meet its dynamic requirements and also those of its constituent units through digital initiatives such as:

30+ websites of the University and its constituent units

15+ ICT services to support admission, teaching-learning, assessment, research and administration related activities across the University

Conduction of ICT related trainings for all stakeholders of the University (students, teachers, administrative staff, librarians, and researchers)

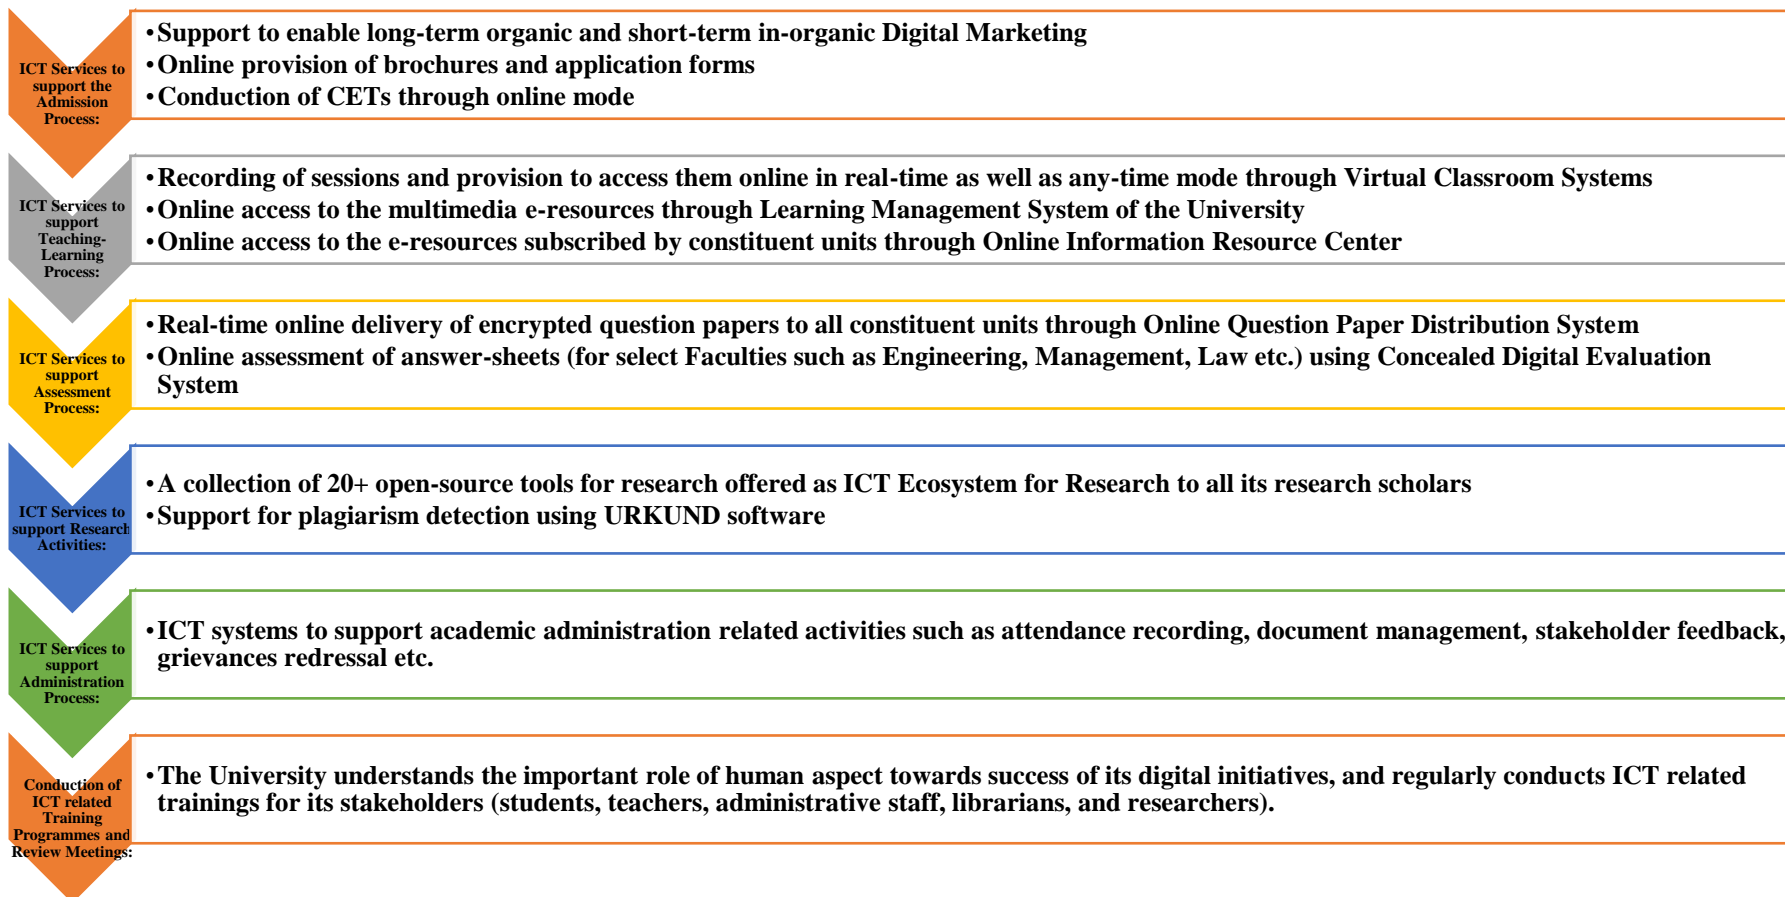

Provision of ICT support (hardware, software, networking and Internet) to the University and its constituent units

Uniqueness of Digital Initiatives taken by the University:

Uniqueness of digital initiatives taken by the University is that almost all involved ICT services are products of indigenous development at the University. University has started a process to get Intellectual Property Rights (IPRs) for these developments and has resulted into three copyrights till now.

Research

The University has three dedicated self – financed Research institutes viz. Interactive Research School for Health Affairs (IRSHA), Research and Development Centre in Pharmaceutical Sciences and Applied Chemistry, Pune and Yashwantrao Chavan Institute of Social Studies and Research, Pune which are involved in advanced research in Bio-Medical Sciences, Pharmaceutical & Nutrition and Social Sciences.

Research and Publications:

The University has consistently promoted research activities and publications. Our faculty members have made notable contributions, enhancing their fields and boosting the university's academic reputation. Throughout the year, they have actively engaged in securing patents, copyrights, designs, and publishing research in Scopus-indexed journals, Web of Science journals, UGC CARE journals, and books. Their research efforts have advanced knowledge across various disciplines and received recognition on both national and international stages.

Patents / Copyrights:

Faculty members of the University, have obtained patents for ground-breaking inventions and technological advancements across various fields, ranging from biotechnology and engineering to information technology and beyond. These patents not only signify our faculty's capacity for innovation but also hold promise for commercialization and societal impact.

Sr. No.	Name of the Patent / Copyright awardee	Title of the patent/Copyright
1	Dr Seema Shingare, Dr. Sachin Potdar	Dental Putty Scraper -Registration Of Design Instrument
2	Dr. Vijaya Pandit, Dr. Dawane, Dr. Asmita Wele	Method Of Preparation Of An Ayurvedic Formulation Nishamalaki For Diabetes
3	Bharati Vidyapeeth (Deemed to be University) College of Engineering, Pune, Dr. Naveenkumar Jayakumar	A Multiprocessor Computation System
4	Mr. Suraj U. Rasal, Prof. Dr. Sandeep Vanjale, V.S.Rasal,S Gupta	Multilevel Cryptographic Hash Function Based Security Framework For Internet Of Things

5	Dr. Rohini B. Jadhav, Dr. Anurag Jain , Dr. Aakriti Jain, ,Dr. Vrushsen Purushottam Pawar, , Prof.Dr. S. B. Chordiya,dr. R.N Patil , Mr. Bhaskar Singh, Dr. Nidhi Jain ,Mr. Yogesh Vasant Kadam, ,Mrs. Prajakta Dagadu Pawar Assistant Professor, Mr. Nand Jee Kanu	Ifmc- Voltage Converter: Intelligent And Frequency To Voltage Converter For Mobile Charging.
6	Datta S Chavan	Wind Turbine Test Set Up With Facility Of Rainy Conditions
7	Dr. Pradeep V Jadhav Mr. Sachin Khomane	Microfluidic Based Digital Soil Nutrient Testing Device
8	V.M.Kulkarni & Siddharth Modi	1.5-Disubstituted Naphthalenes As Anticancer Agents
9	Dr. Ajit S. Kulkarni, Dr. Vinod L. Gaikwad, Dr. Manish S. Bhatia, Mr. Amit J. Kasabe	Predictive Computational Model For Selection Of Suitable Grade Of Polymer For Desired Formulation Property
10	Ankit Ganeshpurkar, Devendra Kumar,Gopichand Gutti, Dileep Kumar, Ashok Kumar &Sushil Kumar Singh	Novel Quinolol Derivatives As Dual Inhibitors Of Beta Secretase And Acetylcholine Esterase For The Management Of Alzhmiers Disease
11	Dr. Anand Zanwar and Dr. Mahabaleshwar Hegde	An Edible Oil Formulation
12	Dr. Anil Gaikwad	Solving Mathematical Capthca Using Image
13	Prof. Dr. D.L Shinde	Herbal Formulations For Diabetes Mellitus

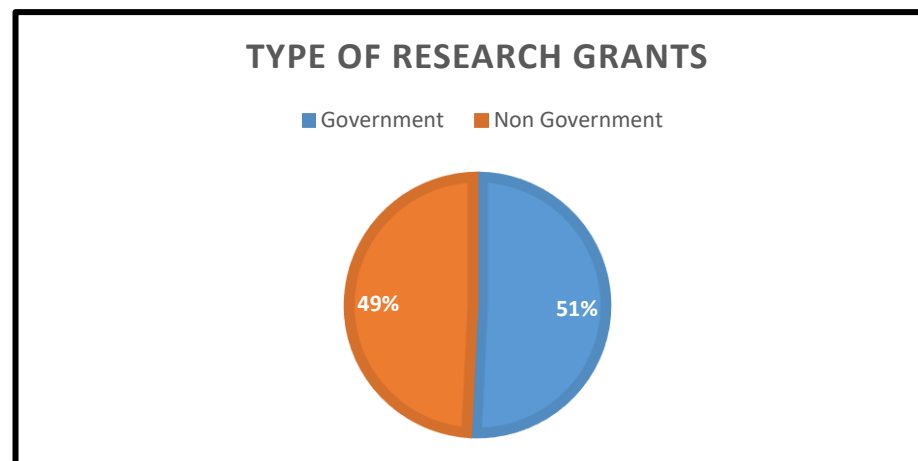

Research Projects:

Faculty members at the University have spearheaded numerous research projects supported by prestigious grants from both national and international agencies, spanning a wide range of disciplines and fostering interdisciplinary collaboration. These projects have produced impactful results, contributing to scientific advancements, technological innovations, and policy recommendations.

We have secured research funding from agencies such as ICMR, AYUSH, CCRAS-AYUSH, National Innovation Foundation, DBT, DST, SERB, ICAR, and the European Union, among others.

Research Grants:

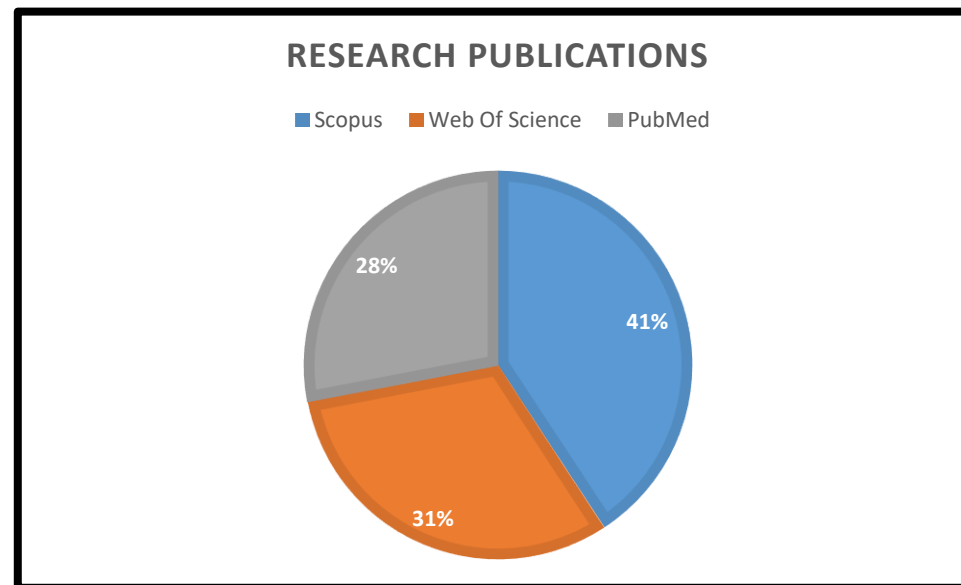

Sr. No.	Type of Research Project Grants	Number	Amount in Lakhs
	Government	33	1556.59
2	Non-Government	32	181.1
Total		65	1737.69

Research Paper Publications at a glance:

University has made significant strides in fostering a vibrant research culture. This year, faculty members published numerous research papers in prestigious journals, including Scopus-indexed and Web of Science journals. Their research spans diverse disciplines, promoting innovative solutions to complex problems. Faculty research has gained recognition both nationally and internationally, with many papers widely cited. The University emphasizes applied research, influencing industry practices and policy decisions.

Database	Number of Publications
Scopus	291
Web of Science	223
Pubmed	200
Total	714

MOUs and Collaborations:

Faculty members of the University have forged meaningful partnerships with leading universities, research institutions, industry partners, and government agencies, fostering cross-cultural dialogue, knowledge exchange, and innovation. These collaborations have not only enriched our academic ecosystem but have also created opportunities for student mobility, faculty development, and societal impact. Through their proactive engagement in forging MOUs and collaborations, our faculty members continue to enhance the university's global presence and reputation as a hub of academic excellence and innovation. There were 71 MOUs that were signed between constituent units of the University and reputed institutions / industries / corporate houses.

List of International MOUs

Name of the partnering Institution/ industry /research lab/corporate house with contact details	Year wise list of actual activities under each MoU.
Ayurveda and consciences, Paris, France	Planning of certificate course, designing of the syllabus
Engagement Global, Germany	National Mentoring Workshops for Education for Sustainable Development Leadership Program
Medical Research Council , United Kingdom (University of Southampton,University of Witwatersrand, Johanneburg,CSI Holdsworth Memorial Hospital, CSIR,Obstetrics & Gynecology Hospital of Fudan University, University of Cambridge and Imperial College London)	Research activity
International Vaccine Institute, Korea	Immunogenicity testing by CHIKV PRNT and CHIKV IgG ELISA for CHIKV vaccine trial
Sicora Technologies Pvt Limited, Mumbai	SARS CoV2 Antiviral testing

Nanosefclean Limited, United Kingdom	SARS CoV2 Antiviral testing
Nanocare Deutchland AG, Germany	SARS CoV2 Antiviral testing
Oman Hygienic Product LLC (Oman)	SARS CoV2 Antiviral testing
Mediator academy/Glyndwr media Ltd, UK	Regulation of academic, financial, administrative, and practical arrangements
Syneos Health UK Ltd, UK	Clinical study activity
Culture House of the Islamic Republic of Iran-Mumbai	Conduction of conferences/Seminars/Workshops, Cultural festivals, Research on Irnology

Continuous Professional Development Activities Organized:

The University often organizes various knowledge events to promote learning, intellectual engagement, and academic development. These events enhance the academic environment, provide networking opportunities, and support the professional and personal growth of students and faculty. The University encourages looking forward and identifying opportunities to learn something new, refresh existing knowledge, improve skills, or simply actively facilitates faculty attendance at national and International events to keep up-to-date with the latest developments within a particular profession or industry.

It combines different methodologies to learning, which includes training courses, seminars, workshops, conferences and events, webinars and online eLearning programs. It also includes sharing best practice techniques, thoughts and ideas, all focused towards an individual improving within the work environment. It is a commitment to ongoing lifelong learning.

For the year 2020-21, 99 Professional Development Programmes were organized of them 71 were for teaching faculty members and 28 for non-teaching staff members.

Some of the major Professional Development programmes organized comprises:

- ✚ Workshop on Animal Experiments in Drug Evaluation organized by Department of Pharmacology, Research methodology and manuscript writing workshop organized by Central research and publication unit, 55th Temporal Bone Dissection Workshop organized by Dept. of ENT, Sensitization Program on Ethical Principles underlying AETCOM Modules - Teaching and Assessment were some of the major professional development activities organized by Medical College, Pune.
- ✚ Online workshop on Bioethics and AETCOM, Skill Lab made easy: Hands on workshop were organized by Medical College and Hospital, Sangli.
- ✚ Workshop on training on COVID-19 were organized by Dental College and Hospital, Pune.

- ✦ Dental College and Hospital, Sangli hosted Live Webinar on Amalgamate Brief Tobacco Intervention in Dental Care: Be A Game Changer, "REPLACING MAXILLARY CENTRAL INCISORS WITH IMPLANTS - Challenges, Processes & Outcomes", Guest Speaker on the topic COMBATTING COVID-19 IN DENTISTRY-The Way Forward conducted Live Webinar, Live webinar on "How to be the Big Bull of Laser Dentistry".
- ✦ Dental College & Hospital, Navi Mumbai organized workshop on Research Methodology.
- ✦ International webinar on We are ready: Critical Care Challenges, Affordable Health Care: A Step to Universal Health Coverage, Impact of Pandemic: Growth & Development, National Webinar on Research methodology were organized by College of Nursing, Pune.
- ✦ Faculty Development Program On Research Methodology, Anti-ragging Policies Orientation Programme For Faculty, Anti sexual Harassment Policy Orientation Programme For Faculty Were Organized By College Of Nursing, Sangli.
- ✦ College of Nursing, Navi Mumbai hosted Webinar On Strengthening publication in Nursing, Online guest lecture: Introspective to Improve work culture.
- ✦ Poona College of Pharmacy, Pune hosted Webinar on Intellectual Property Rights (IPR) & Patent Process, Leadership and Excellence, Medication safety in clinical practice, Fire Extinguisher Demonstration, Workshop on Advances in Excipients and Drugs Delivery Systems.
- ✦ Five days Faculty Development Program on "Research opportunities in Environmental Engineering", five days Faculty Development Program on "Internet of Things for Futuristic Smart Systems", "Advancements and Research opportunity in Electronics and Telecommunications" were organized by College of Engineering, Pune.
- ✦ New Law College, Pune organized webinar on Introduction to Artificial Intelligence and Law, Artificial Intelligence and Law: Ethical Dilemmas of the Digital Age, Ethical AI and Social Media Noise.
- ✦ Rajiv Gandhi Institute of Information Technology and Biotechnology, Pune organized workshop on Microsoft teams.
- ✦ Interactive Research School for Health Affairs, Pune organized training programmes on Good Clinical Practices.

- ✚ Institute of Management and Entrepreneurship Development Pune organized ATAL Faculty Development programmes on Artificial Intelligence, FDP on NEP, Online teaching and Interdisciplinary Research, FDP on Research Guidance and Outcome Framework, FDP on Ved Magic.
- ✚ Institute of Management & Rural Development Administration, Sangli organized One Week International Faculty Development Program on e-Content and Research Management
- ✚ Institute of Management, Kolhapur organized seminar on Learning MS-Teams on Online Education.
- ✚ College of Physical Education, Pune organized workshop on International Yoga Workshop “Breath Lyfe”, National workshop on "Sports science and its applications in physical education and sports".
- ✚ College of Architecture, Pune organized National Conference on Sustainability in Architecture Planning and Technology, FDP on Publishing Research Work, FDP on NAAC Documentation.
- ✚ Yashwantrao Mohite College of Arts, Science and Com., Pune organized training on Improved Delivery of Knowledge using Online Platforms.

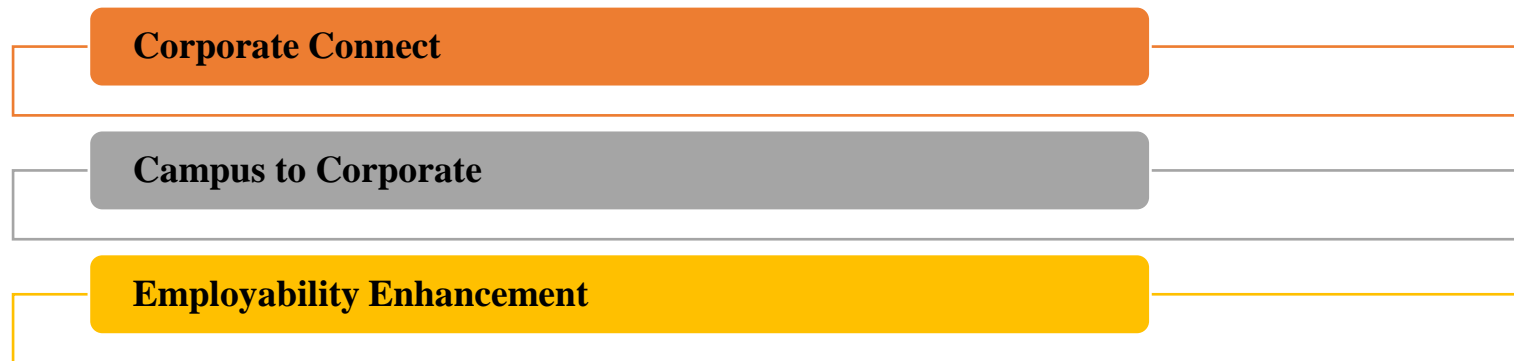

Training programmes were also organized for non-teaching/technical staff that can lead to a more skilled, motivated and effective workforce that can benefit the organization as a whole.

These training programmes were organized at different institutions of the University and ranges various topics like Basic Computer Training Program as Learning MS-Teams ,Learning ZOOM Platform,Staff Development Program on Use of ICT tools in Administration work, Work Ethics and Team Building, Fire Extinguisher Demonstration, Distancing with COVID positive patients, Social Media Handling and Digital Marketing, Training on Monitoring Pulse Oximeter, Taking self-care in case of COVID symptoms, Use of PPE Kit etc.

Student Welfare

Placements:

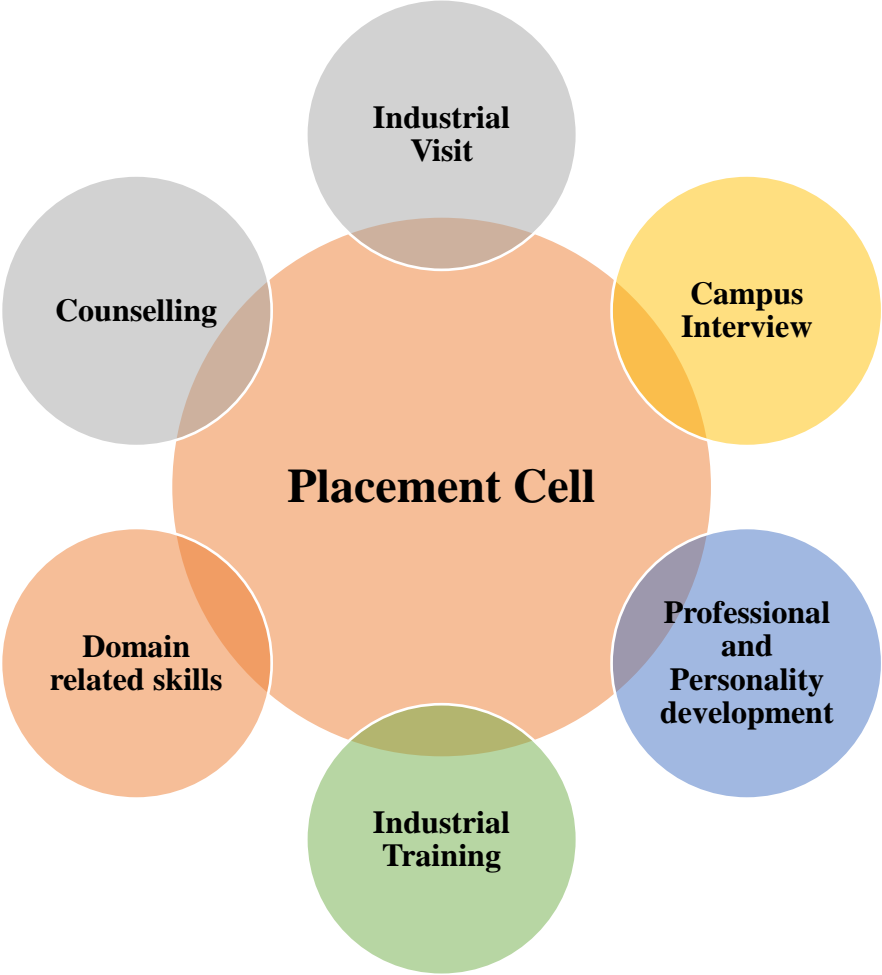

University offers placement and other related career guidance services to students of all courses. The main aim of the placement cell known as Corporate Resource Centre is to ensure that the maximum number of students secure the opportunity to work in the best industries. The university being a multidisciplinary University, the programs offered by the institution are professional in nature and predominantly focused on skill development, so most of the programs may have almost complete placement record due to self-employment option.

In the year 2020-21, placements were:

Placed	Self Employed
1724	1623

Cultural Activities:

Cultural activities encompass a wide range of events and practices that reflect the traditions, arts, and heritage of a community or society.

Students of Bharati Vidyapeeth participate in various cultural activities which can help them to develop leadership skills, teamwork abilities, and cross-cultural collaboration skills. These experiences prepare them to take on leadership roles and work effectively in diverse teams in their future careers.

Sports:

University boasts a vibrant sports culture, with a diverse range of activities catering to students' interests and talents. From intercollegiate competitions to intramural leagues, sports serve as a cornerstone of campus life, fostering healthy competition. Our athletes consistently excel on regional and national stages, bringing home numerous championships and accolades, showcasing the university's commitment to sporting excellence. Through state-of-the-art facilities and dedicated coaching staff, university provides a nurturing environment for athletes to thrive, enhancing not only their sporting prowess but also their overall academic and personal development. With a proud history of sporting

achievements, university continues to uphold the values of sportsmanship, dedication, and teamwork, shaping well-rounded individuals ready to conquer any challenge on and off the field.

Extension Activities Organized by the Institute:

Bharati Vidyapeeth (Deemed to be University) actively participates in various social and environmental initiatives through its National Service Scheme (NSS) units, showcasing a strong commitment to community service and societal welfare. The university's dedication is exemplified by the diverse range of activities undertaken by NSS volunteers.

Engagement in events such as World Environmental Day underscores the university's commitment to environmental awareness, with NSS units organizing activities like area clean-ups, fort cleaning, and trekking to promote environmental consciousness. Additionally, Disaster Management seminars are conducted to educate students about natural disasters, emphasizing collaboration with local authorities to mitigate risks.

To foster ecological sustainability, NSS units organize tree plantation drives on campus and in adopted villages, alongside visits to nearby forests for practical insights into environmental conservation. Promoting the importance of education, rallies and lectures are organized in adopted villages.

Patriotism is encouraged through events like rallies where NSS volunteers raise slogans and carry the national flag. Compassion is demonstrated through visits to orphanages and participation in social welfare activities for underprivileged children.

NSS units also embody social responsibility by organizing blood donation camps, cleanliness drives, and partnering with local authorities and organizations like Rotary clubs. The university actively participates in events such as "Run for Unity" and campaigns like Road Safety Week.

Addressing health and well-being, NSS units conduct health check-up camps, dental camps, and yoga programs. They tackle societal issues through campaigns against child marriage and celebrations of National Women's Day.

The NSS units' comprehensive approach to community needs is evident in activities such as adventure camps, tree plantation days, and special winter camps. The university prioritizes the training of NSS volunteers through programs like the Special Winter Camp, fostering both community service and personal skill development.

In conclusion, Bharati Vidyapeeth (Deemed to be University) and its NSS units are actively involved in a wide range of social, environmental, and educational initiatives, reflecting their dedication to holistic development and community welfare.

List of activities organized:

- World Environmental Day
- Disaster Management workshops
- Van Mahostav
- International Literacy Week
- Independence Day Rally
- Visit to Orphanage
- Life Skills Awareness
- Selection for SRD at state level
- National Blood Donation Day
- Celebration of Gandhi Jayanti
- Run for Unity
- Road Safety Campaign
- Campus Cleaning Drive
- Blood Donation Camp
- National Girl Child Day
- Voter Awareness Program
- Sport Activity
- Dental-check-up& health awareness camp
- Swachh Bharat Abhiyan
- Yoga for Unity and Wellbeing
- Eye Checkup Camp
- Bal Vivah Mukh Khede
- Cleaning of Heritage Site
- Tree plantation
- Women's Day Celebration
- Adventures Camp
- National Integrated Camps.
- ETI (Empanel Training Institute) Ahmednagar
- Special Winter Camp

Glimpses of Extension Activities:

Celebration of Gandhi Jayanti at DCH Sangli

Children's Day Celebration DCH Sangli

AIDS awareness programme on AIDS Day, in presence of Honorable Dr. H.M Kadam, Regional Director, BVDU Sangli and Monoact by NSS Volunteer
