VISION

To transform Bharati Vidyapeeth Deemed University Medical College, Pune into a **Center of Excellence** in medical education and research, catering to national and global healthcare needs.

GOAL

To train our students to be

**COMPETENT, COMPASSIONATE,
CONFIDENT & CREATIVE**

basic doctors /specialists to deliver the health care needs of the society.

ABOUT THE INSTITUTION

Established in 1989, Bharati Vidyapeeth Deemed University Medical College, Pune is one of the oldest private medical colleges in the region.

The Medical College received **NAAC A++** reaccreditation in **the 4th cycle** as a constituent unit of Bharati Vidyapeeth (DU), Pune.

The college offers **Undergraduate (MBBS), 21 Postgraduate and 07 Super Specialty programmes along with several Fellowships and PhD.** The College and the degrees offered are recognized by the **National Medical Commission.** Our students are eligible to appear for **USMLE and PLAB** examinations and many students clear these examination and join for post-graduation abroad.

Under the able guidance of qualified and experienced faculty of the **Medical Education Department** we have successfully implemented the new Competency Based MBBS Curriculum from 2019.

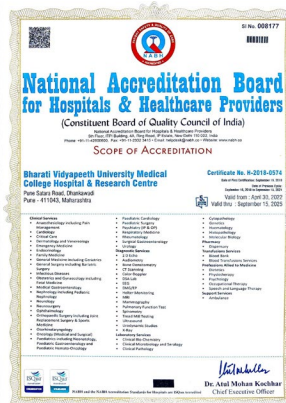

Bharati Hospital and Research Centre is a **NABH-accredited hospital**, with additional accreditations including **NABH Accreditation for Emergency Medical Department (EMD), NABH Accreditation for Blood Bank, and NABL Accreditation for its laboratory services**, ensuring excellence in every aspect of patient care.

RECOGNIZED BY

- National Medical Commission
- Listed in World Directory of Medical Schools **World Health Organization's Directory**

COMMUNITY BASED EXPERIENTIAL LEARNING

Family Adoption Program

Visit to Leprosy Hospital

Community Health Education

Family Health Survey

Community Medicine Department (BVDUMC, Pune) initiated Tuberculosis (TB) screening (04 main symptoms of TB) by MBBS students during house visits in the Family Adoption Program (FAP). This experience was published in an international journal - **Frontiers in Public Health**. The **Maharashtra Health Department** has integrated TB screening program in the FAP of all medical colleges.

RESEARCH

Research culture is deeply embedded in the fiber of the medical college with UG, PG students and faculty being ably guided by Central Research and Publication Unit and financially supported by the institution. Regular workshops under the aegis of renowned national faculty are conducted to enhance the research aptitude of the students and faculty.

Undergraduate students apply for ICMR and IPHA funded projects. The UG Research Club guides interested students. An annual UG Research Conference 'NEXUS' is organized by the students for undergraduate students across the state.

Various workshops on Research Methodology & Manuscript Writing are conducted for PG students. Research Methodology Certificate Course and Biostatistics Course

Financial assistance is provided to UG, PG students and faculty for research, publications & conference presentations.

International and national funded research (Bill and Melinda Gates Foundation, UNICEF, ICMR etc.) as well as DBT, DST, NGO funded projects are undertaken by faculty.

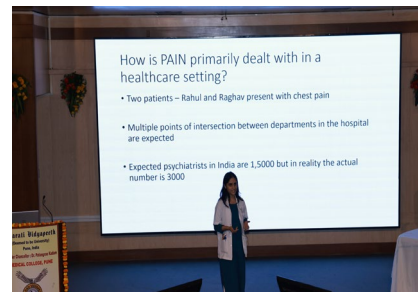

The Institutional Ethics Committee is recognized by DCGI
