Mob: 9850662641

## Appeal

Research is an integral part of Medical Curriculum. Research Society of the Bharati Vidyapeeth (Deemed to be University) Medical College holds an Annual Research Conference (RESCON) to encourage research and provide a platform for sharing the outcomes of research projects undertaken by the faculty and students of the institute. It is also the forum for formally appreciating academic excellence at university examinations across the MBBS curriculum.

The 18<sup>th</sup> Annual Conference 'RESCON 2023' is scheduled from 2<sup>nd</sup> to 4<sup>th</sup> March 2023. More than 450 doctors, including faculty and post graduate students of our college and sister institutes will participate in the conference. Eminent speakers and professionals from across India will share their views on topics of current relevance.

In addition to academic deliberations, financial support is also crucial for the success of any conference. We herewith invite you to participate in the conference by sponsoring scientific sessions, academic awards and booking stalls to display your specialties.

A generous sponsorship would be a good opportunity to project the image of your organization.

**Dr Mandar Karmarkar**  
Principal & Chairperson - RESCON 2023
