

TOBACCO AWARENESS CAMPAIGN

DATE: 30/11/22
PUNE

In light of increasing tobacco consumption amongst the youth of our country undergraduate students of Bharati Vidyapeeth (DTU) Medical College Pune in collaboration with Pace Foundation started a tobacco awareness campaign across various schools in the city. This 2 month long drive began in the month of August in the PMC schools in Dhankawadi and soon picked pace and spread across various locations within the city. A total of 23 schools were covered with contribution of more than 40+ students enthusiastically participating in the event.

The students in the schools were shown a variety of videos depicting the aftermath of tobacco and alcohol consumption in Hindi/English/Marathi languages. Students were made to take an Oath to avoid the consumption of such addicting substances and lead a healthy lifestyle. In the end a feedback was collected from the faculty members of all the schools for improvement in the program.

In conclusion the event was an overall success and the students went home with a positive takeaway which seemed to have made a constructive impact on their minds.
