

BHARATI VIDYAPEETH DEEMED UNIVERSITY  
MEDICAL COLLEGE,PUNE

# DEPARTMENT OF ANAESTHESIOLOGY

**Training & Vigilance, behind & beyond the curtain: Widening Horizons**

## Establishment & Highlights

- Established in 1991
- Full time dedicated staff, constantly updating themselves.
- Good Infrastructure with state of art modern operation theaters.
- Facility of pain clinic with full time interventional pain specialist.
- Along with basic surgical faculties superspeciality training in specialities like neurosurgery, urosurgery, paediatric surgery, vascular surgery, endoscopic procedure and cathlab procedures.
- Anaesthesia and operation theater technician course run under the umbrella of dept of anaesthesia.
- Operation Theater training programmes for OT staff and MPWs.
- Conducted workshop for international Pain Conference **ICRAPAIN-2017.**

## Extension activities include

- BLS Lectures for newly admitted MBBS students
- Family planning and welfare camps, Cataracts camps
- Labour analgesia
- External rotations of PG students – CVTS & ICU
- Public awareness posters / print material for patients.
- Monthly public awareness programmes regarding speciality and scope of services.

## Teaching, learning and evaluation

- Organized UG & PG teaching programme with innovation
- Structured feedback from undergraduate (at term end) and postgraduate (PG activity, post rotational, exit feedback)
- Robust academic postgraduate training programme including
  - Guest lectures
  - Regular periodic assessment: theory & practical
  - Feedback and counseling
  - “Resident as a teacher”\_ a pattern of teaching-learning activity since last five years for JR I
- A small simulation based ( On 3G SIMMAN) teaching module is incorporated to enhance students’ interest in subject.

## Infrastructure/learning resources

- Impressive departmental infrastructure, adjacent to MOT.
- Spacious seminar room, museum, faculty rooms, Departmental office, library room having computers with internet access.
- 9 operation rooms equipped with new Anaesthesia Delivery system with recent anaesthesia work stations & higher end monitoring gadgets.
- The **Pre Anaesthesia check up** room and **pain clinic OPD**
- MRI, ECT, Cardiac catheterisation and Endoscopy Unit.
- High fidelity manikin:- **SIMMAN** for teaching Airway Management, Resuscitation protocols
- Library- Central: Anaesthesia books: 266, Journals: 10  
Departmental : Books: 144

## Research

- Faculty engages itself in research activities with number of ongoing projects few projects have been completed; areas being newer technical modalities, drugs & regional adjuvants.
- Presentations at conferences: Oral/Poster
- Research Publications:
  - National: 9
  - International: 21
  - Book chapters: 8
  - Pubmed-5, Scopus-3, Google Scholar-6
  - Citation index: range-2-138, average-70
  - Impact factor: range-0-3.9, avg-0.9
  - H index – 3

## CMEs and conferences

- Paediatric anaesthesia CME in 2015
- ISSP meet and Monthly ISA meet
- Conducted Cadaveric fluoroscopic workshop, IM stimulation workshop and Ultrasonography guided workshop for international Pain Conference **ICRAPAIN-2017**
